

CONGRESS BLAMED FOR SETBACKS ESTABLISHING NEW WORLD ORDER

“WE HAVE BUILT THE REICH ON PROPAGANDA” Joseph Goebbels

Obama made some interesting statements at fundraising events for Democratic Party last week. In three cities Seattle, San Francisco and Los Angeles the obvious conspiracy of a “New World Order” was anything but. From the evident unrest, and chaos is there really any sign of peace ahead? Or will the genocide continue with anyone who disagrees with their “new order”? Is that really a “peace process” or murder by narcissistic psychopaths.

“The reason politics does not work in Washington, I want to be clear, is not because both parties are in the tank,” he told donors at an event that raised money for the Democratic Congressional Campaign Committee. “The reason it does not work right now is because we have one party that has no agenda other than making government not work, whose primary function, whose primary purpose if you distill their ideology comes down to saying ‘no’ to any efforts to help ordinary families get ahead.” [Tuesday, July 22, 2014, in San Francisco.](#)

“What does Christianity mean today? National Socialism is a religion. All we lack is a religious genius capable of uprooting outmoded religious practices and putting new ones in their place. We lack traditions and ritual. One day soon National Socialism will be the religion of all Germans. My Party is my church, and I believe I serve the Lord best if I do his will,

and liberate my oppressed people from the fetters of slavery. That is my gospel."

Appears Founding Fathers shared opposing views on wealth and posterity.

"The government of the United States is a definite government, confined to specified objects. It is not like the state governments, whose powers are more general. Charity is no part of the legislative duty of the government." Speech, House of Representatives, during the debate "On the Memorial of the Relief Committee of Baltimore, for the Relief of St. Domingo Refugees" January 10, 1794 James Madison Father of The Constitution

"To take from one, because it is thought his own industry and that of his fathers has acquired too much, in order to spare to others, who, or whose fathers, have not exercised equal industry and skill, is to violate arbitrarily the first principle of association, the guarantee to everyone the free exercise of his industry and the fruits acquired by it."

-Thomas Jefferson, letter to Joseph Milligan, April 6, 1816

Founding Fathers ,Obama and Socialists opposing views on "Spreading The Wealth". "PROMOTE" the general welfare, "PROVIDE" for common defense. Appears this is being reversed. And now it's not just National Socialism American

taxpayers are providing but global socialism of the entire planet. The wealth is being redistributing at incredible rate into the hands of 1% global Oligarchy or a "Corporatocracy"

Princeton and Northwestern Universities have stated U.S. no longer a "Republic". The Oligarchy or Corporatocracy have taken over.

...“But whether people see what’s happening in Ukraine, and Russia’s aggression towards its neighbors in the manner in which it’s financing and arming separatists; to what’s happened in Syria – the devastation that Assad has wrought on his own people; to the failure in Iraq for Sunni and Shia and Kurd to compromise – although we’re trying to see if we can put together a government that actually can function; to ongoing terrorist threats; to what’s happening in Israel and Gaza – part of peoples’ concern is just the sense that around the world the old order isn’t holding and we’re not quite yet to where we need to be in terms of a new order that’s based on a different set of principles, that’s based on a sense of common humanity, that’s based on economies that work for all people”. "This is very dangerous for democracy in Ukraine, for the national peace and harmony," the liaison department of the Cabinet of Ministers' secretariat quoted Azarov as saying.

Recalling the opposition's statement on uniting solely for resistance to the power, Mykola Azarov said, "It appears to be that they do not have fundamental differences, and their one task is the seizure of power."

Now Addressing the "failure" in Iraq between Sunni and Shia". Amazing how the word **"WAHHABI"** never comes up.

failure in Iraq for Sunni and Shia and Kurd to compromise – although we're trying to see if we can put together a government that actually can function; to ongoing terrorist threats. The mass murdering and destruction of mosques are done by Wahhabi sect of Islam.

Wahhabism as a Tool of Colonialism*

“It would not be impossible to prove with sufficient repetition and a psychological understanding of the people concerned that a square is in fact a circle. They are mere words, and words can be molded until they clothe ideas and disguise.”

Joseph Goebbels

The Basis for Wahhabi ideas grew in the shadow of power and politics. In the internal dimension, there is no doubt that the relationship between Muhammad ibn Abd al-Wahhab and

Muhammad ibn Saud, the emir of Al-Diriyah, guaranteed the survival of Wahhabism.

But another important question is that how could Wahhabism manage to resist barriers and pervade its invitation without strong beliefs and even charismatic leadership? [Rothschild controlled British government all "pawns in the game".](#)

Wahhabi sect of Islam created by Britain and British Intelligence. Like most of the accepted religions accepted by U.N. If Al Saud's initial success could be owed to the spirit of violence, killing Muslims and plundering their assets, its subsequent achievement would undoubtedly be thanks to the British government's economic, political and military aid. This is so that any analysis of the issue would be futile without considering the UK's role.

Al-Mansour has been an adviser to Saudi billionaires who fund the spread of Wahhabi extremism in America... Al-Mansour is an outspoken hater of the United States, Israel, and white people generally.

Although Al Saud used the slogan of monotheism to justify its performance until the fall of the second Saudi and Wahhabi period, in the beginning of the third era Wahhabism itself turned into means of advancing Britain's goals in the Islamic world.

“The great strength of our Order lies in its concealment; let it never appear in any place in its own name, but always covered by another name, and another occupation. None is better than the three lower degrees of Free Masonry; the public is accustomed to it, expects little from it, and therefore takes little notice of it. Next to

this, the form of a learned or literary society is best suited to our purpose, and had Free Masonry not existed, this cover would have been employed; and it may be much more than a cover, it may be a powerful engine in our hands. By establishing reading societies, and subscription libraries, and taking these under our direction, and supplying them through our labours, we may turn the public mind which way we will.” – Adam Weishaupt, founder of the Illuminati in John Robison’s [Proofs of a Conspiracy, 1793](#).
