Karl Marx & Friedrich Engels: The Communist Manifesto

Communist League

In the middle of the 19th century, a group of socialist reformers known as the **Communist League** convened in London. Seeing the impoverished working class created by the Industrial Revolution, these reformers called for change. In order to summarize their beliefs, they charged two German philosophers with special interests in the economy, Karl Marx and Friedrich Engels, to write a mission statement of sorts on their behalf. Little did they know, they were witnessing the birth of one of the most famous political ideologies of all time – Marxism and its *Communist Manifesto*. short education video here

“What does Christianity mean today? National Socialism is a religion. All we lack is a religious genius capable of uprooting outmoded religious practices and putting new ones in their place. We lack traditions and ritual. One day soon National Socialism will be the religion of all Germans. My Party is my church, and I believe I serve the Lord best if I do his will, and liberate my oppressed people from the fetters of slavery. That is my gospel.”

– Joseph Goebbels

Social Justice is state forced charity with “the state” playing God. God’s charity is always “Free Will”.

Only time Radical Marxist used Jesus name is either in vain or using Karl Marx “Guilt Trip”.

“Rules For Radical’s fourth (Kill) rule is: *Make the enemy live up to their own book of rules.* You can kill them with this, for they can no more obey their own rules than the Christian church can live up to Christianity.

The fourth rule carries within in the fifth rule: *Ridicule is man’s most potent weapon.* It is almost impossible to counterattack ridicule. Also it infuriates the opposition, who then react to your advantage.

A UNHCR official confirmed Monday to WND via email that a **10-nation meeting** in Nicaragua of ministers of the interior from the U.S., Mexico and various Central American countries was held Thursday and Friday.

The ministers, according to preliminary reports obtained by WND, concluded the Central American illegal aliens are "refugees" deserving international protection under the auspices of the U.N. as they seek asylum in the U.S. The

ministers cited the U.N.’s 30-year-old declaration on the rights of refugees.

Billionaire George Soros Donated $11 Million in Support to the US Immigration Reform [Amnesty]

George Soros #1 donor to immigration reform NGO's.

After the long awaited immigration reform [amnesty for illegal aliens] in the United States was suspended by the House of Representatives in 2013, a report published on Tuesday revealed that businessman George Soros increased the amount of donations to political groups who favor legislation in immigration matters in the United States.

According to a report by EFE, quoted by The Latin American Tribune Herald, the Jewish investor and philanthropist born in Hungary but now a nationalized American citizen, reported an increase in the amount of his donations during 2013, [to] open a way to the legalization of the status of over 11 million [to 40 million aliens] undocumented immigrants [illegal aliens] in the United States. Mark Zuckerberg, the founder and CEO of Facebook, unveiled on his own Facebook page today a new ad from FWD.us, his pro-immigration reform PAC. The ad, titled "Emma", contains an altered version of Emma Lazarus' 1883 poem "The New Colossus", a work associated in many Americans' minds, no doubt, with the Statue of Liberty, in which it is engraved. In doing so, it departs radically from the meaning of Lazarus' original – which exalted the Statue of Liberty as a "mother of exiles"

and redeemer of the world's rootless poor – to accommodate the PAC's call for more high-skilled workers from abroad be allowed to work and live legally in the United States.

“REDS IN OUR CHURCHES” by J.B. Matthews

The Strange Case of J.B. Matthews, the Religious Left and the Censure of Senator McCarthy

In June 1953, Matthews was appointed as McCarthy’s research director and in July published an article called “*Reds in our Churches*” in the conservative *American Mercury* magazine. In it, Matthews referred to the Protestant clergy as “The largest single group supporting the Communist apparatus in the United States.” The result was a public outrage at Matthews as well as “his boss”, Senator McCarthy. Time Magazine led the charge against Matthews and what it called “This astounding and inherently uncheckable statement.”

Reds in Our Churches

Matthews “*Reds in Our Churches* “exposed sophisticated communist manipulation to promote religious dissension in the United States. McCarthy’s critics seized the opportunity to label his efforts as a “Crusade against all Protestant ministers”, a view that Matthew certainly had not intended. In his Mercury article, he specifically pointed out that the great majority of all clergy in America were loyal but that a highly visible minority operating under the guise of “social justice” lent the support of the Religious Left to a variety of Liberal causes. Exaggerated and inaccurate commentaries of his intentions were used to win among many U.S. congressmen to lend support to censure of McCarthy as an extremist. Read Canadian Free Press

You can kill them with this because no one can possibly obey all of their own rules. (This is a serious rule. The besieged entity’s very credibility and reputation is at stake, because if activists catch it lying or not living up to its commitments, they can continue to chip away at the damage.)
