

CLINTONS ' "NEW" SOCIAL CONTRACT COVENANTS AND AMERICA'S "PARADIGM SHIFT"

Clintons' effects on America's sovereignty and virtue

"The government... can never be in danger of degenerating into a monarchy, and oligarchy, an aristocracy, or any other despotic or oppressive form so long as there shall remain any virtue in the body of the people." George Washington in Letter to the Marquis de Lafayette, February 7, 1788

Freer trade abroad means more jobs at home. Every \$1 billion in U.S. exports generates 20-30,000 more jobs. We must find ways to help developing nations finally overcome their debt crisis, which has lessened their capacity to buy American goods and probably cost us 1.5 million American jobs." Bill Clinton "A New Covenant for American Security" Governor Bill Clinton Georgetown University December 12, 1991

Bill Clinton continued his "New Deal" by violating the Founding Fathers covenant. The Clinton administration created the N.A.F.T.A Act which opened the door for mass illegal immigration. We have seen ["dramatic" change to our economy however it was not](#) "good for American People".

In lieu of upcoming TPP Partnership Trade Agreement can we see by previous trade agreements and condition of our economy it could be the last nail in the coffin?

"O My people! Their oppressors are children, And women rule over them. O My people! Those who guide you lead you astray And confuse the direction of your paths." Isaiah 3:

"The LORD detests dishonest scales, but accurate weights find favor with him." Proverbs 11:1

"The covenant calls for an agreement among citizens, businesses, government and faith groups to adhere to universal ethical values, reduce job inequality, become stewards of the environment and more." Whatever you want to call that "third universe"

SEPTEMBER 19, 2013 – CHELSEA CLINTON JOINED GEORGETOWN President John J. DeGioia for a conversation yesterday as part of a two-day World Economic Forum (WEF)'s Global Agenda Council on Values conference hosted by the university.

The conference, "The New Social Covenant: Committing to Human Dignity and Common Values in the Global Economy," focused on the New Social Covenant, a document developed by WEF's Global Agenda Council on Values.

Is Chelsea Clinton speaking of an "Established Religion" and global trade agreements with humanity similar to Solomon's with King of Tyre??

"Paradigm Shift"

This dramatic change in attitudes was given a special name: Paradigm Shift. The most succinct definition of this strange term is given by the official New Age Dictionary. Paradigm Shift is defined as a "spiritual or mental axis-shift; a change in perception or world view". Paradigm itself is defined as "a set of deep concerns...dogmas and assumptions..." In other words, Paradigm refers to those deeply held religious beliefs by which a person lives their life.

Earth Day 2015: Inspiring Evidence of a Paradigm Shift

Hillary's "Paradigm Shift" can be seen throughout our nation and the world from her actions while serving in key positions of government. But few recognize it due to the degenerating effect of demoralization and mental effects of psychological subversion. Few know Earth Day was Vladimir Lenin's Birthday, and with government's arm in businesses, it was celebrated in grocery stores and public schools. It is obvious the manipulation of the economy was identical to the Civil War and the Great Depression. Hillary was nicknamed Alinsky's daughter for a reason. The level of lawlessness will only lead to the prophetic "shift" of Ezekiel's wheel, which the world is not ready for. Then will come the time that Chelsea will see her "third universe". If Hillary's lawlessness continues, could the "paradigm shift" lead to Bill's Jimmy Kimmel interview featuring his prediction of an "Independence Day" alien invasion?

We have few watchmen since First Lady Hillary Clinton engaged the Religious Roundtable and now, as in Jezebel's day, the prophetic voice has aligned itself with the political voice to be cared for during this shift. It was Jezebel who ran the show, not Ahab. This was seen in many presidencies, including Franklin and Eleanor Roosevelt's. This is why Hillary [channels](#) Eleanor frequently for advice.

J. Edgar Hoover exposed Eleanor Roosevelt and FDR for communist activities. Eleanor's biggest accomplishment, in her eyes, was the U.N. Charter to accomplish the goals that Woodrow Wilson had failed with the League of Nations. First Lady Hillary Clinton changes advanced the global goals of U.N. with her multifaceted "[Millennium Project](#)" 2000 executive order.

“Silent actions are transforming our way of life, and when placed together like pieces of a puzzle, demonstrate to us that we are, in fact, experiencing a paradigm shift.”

Kabbalah Mystics Have Power Over Politicians 2/13/2013

Bill and Hillary Clinton became enthusiastic followers of this eccentric cult. It has been described as a Jewish Heresy that mixes the Old Testament with Medieval cabbala mysticism, plus a noticeable amount of 1960's university Marxism. This unhealthy Tikkun Cult gripped the imagination of the Clintons who claimed they looked to it for inspiration. Bill Clinton wrote a letter in 1988 saying “You have helped me clarify my own thinking..” Hillary was also converted and became a true believer. As a result she went on a crusade to “feminise” America.

Under the influence of Tikkun, Hillary Clinton said during a speech that she wanted to achieve for America a “New Covenant” by means of the “paradigm shift”. Few people understood what she meant. However, the subversive movement was so enthralled with their Clinton stooges that they continued to use them in international political affairs long after they were out of office. The White House guru “Michael Lerner” made famous by First Lady Hillary Clinton adapting his “politics of reason”.

Michael Lerner was considered by J. Edgar Hoover for 60's radical activities as “most dangerous mind in the

world". Was "Hale-Bopp" comet during Clinton Administration Hillary's "paradigm shift"?

"The Alchemist made a big mistake trying to turn base metals into gold by incantation. With chemical elements alchemy doesn't work. But it does work in the financial markets, because "incantations" can influence the decisions of the people who shape the course of events". George Soros "Soros on Soros"

The Coming of the Kingdom

Luke 17:28-29 *they were eating, they were drinking, they were marrying, they were being given in marriage, until the day that Noah entered the ark, and the flood came and destroyed them all. 28"It was the same as happened in the days of Lot: they were eating, they were drinking, they were buying, they were selling, they were planting, they were building; 29but on the day that Lot went out from Sodom it rained fire and brimstone from heaven and destroyed them all.*
