

Vetting George Washington

Masons Claim George Washington was one of their lifelong members.

How many times does one president have to be vindicated??? Most of the photos of Washington in Masonic garb are fake. He refused to sit for them. Congressional hearings dispute Masonic claims of founding fathers being part of new "Speculative" Masonry created on 1 May 1798.

Masonic Handbook admitted in 1956 George Washington was offered title of "Grand Master" and refused.

Masonic Q&A Book

Masons have used his earlier involvement with Masons under "Operative Masonry" to gain membership. Membership in the Masonic Lodges dropped severely after Prof. John Robinson's

Jonathan Williams recorded in his **Legions of Satan (1781)** that **General Cornwallis** revealed to **General Washington** during the **signing of the Article of Capitulation** signed by **Cornwallis** at Yorktown that, "A holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom,

but her millions will unknowingly be loyal subjects to the Crown." Cornwallis went on to explain what would seem to be a self contradiction, "Your churches will be used to teach the Jew's religion

and in less than two hundred years the whole nation will be working for Divine World Government.

That government that they believe to be divine will be the British Empire.

All religions will be permeated with Judaism without even being noticed by the masses,

and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry."

General Cornwallis to **General Washington** as recorded by **Jonathan Williams**, 'Legions of Satan', 1781

It is certain that **Senator Joseph McCarthy** did much research on the Communist conspiracy. He came too close when he discovered **British Israel and its Kingdom Message propaganda**.

The following quotes are from an article with the title:

GEORGE WASHINGTON'S SURRENDER:

"And many of the people of the land became Jews. Esther 9:17.
The confession of General Cornwallis to General Washington at

Yorktown has been well hidden by historians. History books and text books have taught for years that when Cornwallis surrendered his army to General Washington that American independence came, and we lived happily ever after until the tribulations of the twentieth century. **Jonathan Williams recorded in his LEGIONS OF SATAN, 1781,** that Cornwallis revealed to Washington that “a holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown.” Cornwallis went on to explain what would seem to be a self contradiction: “Your churches will be used to teach the Jew’s religion and in less than two hundred years the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry.” And indeed George Washington himself was a Mason, and he gave back through a false religion what he had won with his army. **Cornwallis well knew that his military defeat was only the beginning of world catastrophe that would be universal and that unrest would continue until mind control could be accomplished through a false religion.** What he predicted has come to pass. A brief sketch of American religious history and we have seen Masonry infused into every church in America with their veiled Phallic religion. Darby and the Plymouth Brethren brought a Jewish Christianity to America. Masons Rutherford and Russell started Jehovah Witnesses’ Judaism which is now worldwide with their message of the divine kingdom. Mason Joseph Smith started Mormon Judaism with its Jewish teaching of millennialism. At the turn of the twentieth century there appeared the Scofield Bible with a Jewish interpretation of the prophecies. With wide use of this “helpful” aid all the American churches have silently become synagogues. We now have Baptist Jews, Methodist Jews, Church of God Jews, apostate Catholic Jews, and many Protestant Jews throughout America. We are aliens in

our own country because of false religion. All are praying for divine deliverance into that **"Divine Government" which Cornwallis knew to be the British Empire.** A false religion has been used to deceive us into allegiance to our enemies of Yorktown and Bunker Hill. No! Not a gun has been fired but the invisible and malignant process of conquering America with the Jew's religion has gone on unabated. The Union Jack has been planted in our hearts with religious deception. All has happened "legally," "constitutionally," "freely" and completely within our most sacred trust – our churches. **Religious deception is painless inoculation against truth.** It cannot be removed from the conscience with surgery, yet it is the motivator of our actions and directly controls our lives. **Once man gives over to false religion, he is no longer rational because he originates no thought. His life is controlled by whomever controls his religion. The veil of false religion is the sword of Damocles and its power to control humanity defies even the imagination of tyrants who use it.** This is not to say that George Washington was a traitor willingly, or knowingly. **He was beguiled into a Satanic religious order that insidiously controls men's minds.** So have American statesmen and military leaders down through the years given aid and allegiance to the enemies of the United States because they did not have knowledge of the invisible subterfuge that stalks this land. My eyes were opened the day my colleague from Ohio handed me **Wagner's FREEMASONRY AN INTERPRETATION.** If every American would read it, they would no longer ask why and how it has happened." **End of quote from GEORGE WASHINGTON'S SURRENDER**

MARCO RUBIO MASSIVE FLIP-FLOPS FROM IMMIGRATION, AMNESTY, MYSTERIOUS MONEY BACKERS

*Ezekiel 38:10: 'Thus says the Lord GOD, "It will come about on that day, that thoughts will come into your mind and you will devise an evil plan, 11and you will say, 'I will go up against the land of **unwalled** villages. I will go against those who are at rest, that live securely, all of them living without walls and having no bars or gates, 12 to capture spoil and to seize plunder, to turn your hand against the waste places which are now inhabited, and against the people who are gathered from the nations, who have acquired cattle and goods, who live at the center of the world.'..."*

Since Jeb Bush announced he was pulling out of 2016 Presidential Race [it seems establishment GOP has placed](#) their money on Marco Rubio. In 2010 Rubio [nabbed George P. With [Mitt Romney coming](#) on the presidential political scene and Rubio's rejection of Cruz as

VP to take on Trump will Rubio choose Romney and give Poppy Bush his preferred choice from 2012 election?

The first question is who is Marco Rubio?

Marco Rubio like Raphael "Ted" Cruz has connections with Cuba. Marco is the son of Cuban immigrants Marlo and Oriales Garcia. Rubio was born 28 May 1971.

Huffington [Post reported. Mario](#) and Oriales, did adopt the anti-Castro position of many exiles who are opposed to the communist course taken by the Cuban revolution, the date of their emigration was not 1959 and the cause of their departure was not the current Cuban government. They left Cuba in 1956 as exiles from a tyrannical regime; that of [Fulgencio Batista Zaldivar](#), the right-wing dictatorship that Fidel Castro overthrew. The tributes paid by Rubio to the thugs who toppled the second Cuban republic on March 10, 1952 are totally undeserved, and he knows it. Rubio knows, due to the experience of his own parents, that when he supported dedicating the new FIU law school building to Rafael Diaz-Balart he was paying homage to one of the politicians who brought an end to representative democracy in Cuba, one of those truly responsible for the flight of his parents.

So it seems [Ted Cruz](#) and Marco Rubio's parents supported opposing dictators during Cuba's conflicts. Although some reports say Rubio's parents [returned to Cuba several times](#) after Castro gained power. Marco Rubio also lived period of childhood in Las Vegas, Nevada.

"It is indispensable, too, that the president should be a natural born citizen of the United States; or a citizen at the adoption of the constitution, and for fourteen years before his election. This permission of a naturalized citizen to become president is an exception from the great fundamental policy of all governments, to exclude foreign influence from their executive councils and duties.

It was doubtless introduced (for it has now become by lapse of time merely nominal, and will soon become wholly extinct) out of respect to those distinguished revolutionary patriots, who were born in a foreign land, and yet had entitled themselves to high honours in their adopted country. A positive exclusion of them from the office would have been unjust to their merits, and painful to their sensibilities.

But the general propriety of the exclusion of foreigners, in common cases, will scarcely be doubted by any sound statesman. It cuts off all chances for ambitious foreigners, who might otherwise be intriguing for the office; and interposes a barrier against those corrupt interference's of foreign governments in executive elections, which have inflicted the most serious evils upon the elective monarchies of Europe. Germany, Poland, and even the pontificate of Rome, are sad, but instructive examples of the enduring mischief's arising from this source."

Over the course of the conversation, Rubio discusses ongoing areas of interest for U.S. foreign policy, including the Islamic State group's rise in the Middle East, the crisis in Ukraine, the Syrian Civil War, the ongoing nuclear negotiations with Iran, China's assertiveness in the South China Sea, and the threat of global terrorism. Big names back Trump tower

Soros, Deutsche Bank said to be in on 90-story building

October 28, 2004 |By Thomas A. Corfman, [Chicago Tribune](#) staff reporter.

Donald Trump has lined up three New York hedge funds, including money from billionaire George Soros, to invest \$160 million in his Chicago skyscraper, a key piece in perhaps the largest construction financing in the city's history, according to real estate sources and public documents.

Despite reports about the project's record-breaking sales, most of them from Trump himself, many Chicago real estate developers and lenders have expressed doubts about whether the 90-story tower would ever be built.

“It is such a huge project, and the prices he said he was getting were so outside the norm,” said Robert Glickman, president and chief executive of Chicago-based Corus Bank.

“It was reasonable to say, ‘Is this real?’” he said.

Much of the skepticism springs from Trump’s own hype. “Chicago developers are much less flamboyant,” said Glickman.

The massive financing, which sources say also will include a \$650 million construction loan from Deutsche Bank, should quell those doubts.

Trump flies to Chicago Thursday morning for a ceremonial demolition of the former home of the Chicago Sun-Times, 401 N. Wabash Ave., which will be replaced by his 2.5 million-square-foot tower. The demolition is expected to begin for real in January.

On Wednesday Trump declined to comment on the financing, emphasizing instead the luxury project’s record-breaking sales.

The chief executive of New York-based Trump Organization said he has agreements to sell three-fourths of the 461 condominiums and 227 hotel-condo units for a combined \$515 million.

“Nobody to my knowledge anywhere in the United States has ever sold more than \$500 million worth of apartments prior to construction,” he said. “It’s a great tribute to Chicago, to the location and to a great design.

“And, I guess, to Trump, when you think of it,” he added.

The investor trio is led by Fortress Investment Group LLC, according to a financing statement filed Oct. 19 with the Cook County recorder’s office.

Fortress, which manages more than \$10 billion in investments,

is familiar with the downtown Chicago condominium market after providing a key \$26 million loan on the River East mixed-use development last year.

The document does not identify the other participants, but a key member is Grove Capital LLP, according to sources familiar with the transaction.

The firm manages most of the multibillion-dollar real estate portfolio of the \$13 billion Soros Fund Management, from which Grove Capital was spun off last month.

The third investor is Blackacre Institutional Capital Management LLC, the real estate arm of hedge fund Cerberus Capital Management LP, which manages assets totaling \$14 billion.

Executives with the three hedge funds could not be reached for comment.

The \$160 million investment is in the form of a mezzanine loan, a kind of second mortgage that typically charges a much higher interest rate than a first-mortgage construction loan.

Unlike the mezzanine loan, which has closed, terms of the \$650 million construction loan have not yet been finalized, sources said.

Frankfurt, Germany-based Deutsche Bank, an active commercial real estate lender in the U.S., is expected to split up the loan with other banks.

Chicago developer Steven Fifield admits he was a “total skeptic” about the project, which initially included a large portion of office space.

But the elimination of the office space and the steadily climbing condo sales helped change Fifield’s view about Trump’s chances to get financing.

"I thought it was a given with the number of presales he had," said Fifield, president of Fifield Cos.

After 13 months of marketing, condo prices at Trump International Hotel & Tower Chicago have exceeded \$900 a square foot, while hotel-condo units cost nearly \$1,100 a square foot, according to an analysis of 53 units by Appraisal Research Counselors, a residential consulting firm.

Trump's marketing firm recently put those units, including six hotel-condo units, on the Multiple Listing Service of Northern Illinois.

Almost two weeks ago Trump completed a buyout of his former joint venture partner in the project, Hollinger International Inc., the troubled parent of the Sun-Times.

Although lining up the financing was a big step for Trump, he still has hurdles to overcome, including avoiding construction delays and cost overruns.

Still, he expressed no concern about the doubts harbored by some local real estate executives.

"It's a very expensive building to build because of the quality we are putting into it," he said. "So people of course would say, 'Gee, that's a lot of money to raise.'

"But for me, it's not a lot of money. You understand," he said.

For Immediate Release

MONEY LAUNDERING & BANKRUPTCY FRAUD CONSPIRACY EXPOSED INVOLVING GEORGE SOROS'S INVISIBLE INTEREST IN CONSECO FINANCE & THE GM BUILDING

NEW YORK, NY – Law Offices of David H. Relkin, Esq. on behalf of Leslie Dick Worldwide Ltd. has filed a Federal RICO Complaint in the United States District Court for the Southern District of New York (Case No. 08-CV-7900) against George Soros, Deutsche Bank, Vornado Realty Trust, Fortress Investment Group, Donald J. Trump & 12 other RICO conspirators for \$4.2 Billion in damages.

Excerpts from the 95 page RICO (Racketeering Influenced and Corrupt Organization Act) and Bid Rigging Complaint follow:

The action seeks to recover damages arising out of an ongoing, global RICO Enterprise which engaged in predicate acts of a pattern of racketeering and conspiracy to commit RICO, through and by means of Money Laundering, Bankruptcy Fraud, and Bid Rigging. ¶1.

The RICO conspiracy of the defendants was to invest in, operate, and acquire control of various entities involved in continuing fraudulent transactions and surreptitious and conspiratorial alliances and agreements through unlawful means, including but not limited to Money Laundering, Bankruptcy Fraud, and Bid Rigging, acquired Consecos prime assets, including Consecos Finance and the General Motors Building in New York City, and thereafter attempted to conceal their illicit activities.

Consecos Purchase of The General Motors Building With Donald J. Trump

In or about May 1998, Conseco and Donald J. Trump entered into a contract to purchase the General Motors Building in New York City, located at 767 Fifth Avenue between 57th and 58th Street, across the street from the Plaza Hotel.

The unlawful Money Laundering through the sale of the General Motors Building, orchestrated and carried out by the RICO Enterprise, including George Soros, Soros Fund Management, SFM Management, Vornado Realty Trust, German American Capital, Fortress Investment Group, Donald J. Trump, and the RICO conspirators Conseco, Deutsche Bank, Lazard, Eastdil Realty, Harry Macklowe, Cerberus Capital Management, Lazard, Kirkland & Ellis, Fried, Frank, Harris, Shriver & Jacobson, Carmel Fifth and 767 Manager, and, upon information and belief, other members of the Enterprise and co-conspirators, operated through a pattern of racketeering and forms one of the cornerstones of the defendants' illicit activities of Money Laundering and Bankruptcy Fraud, predicate acts of RICO alleged herein and Bid Rigging.

The Orchestrated Dispute Regarding The General Motors Building Between Conseco And Donald J. Trump

Upon information and belief, this was because, at or about the beginning of March 2001, the mastermind of the RICO Enterprise, George Soros, had contacted, among others to be found in discovery, Gary C. Wendt and Donald J. Trump to contrive a Money Laundering scheme to launder money through the sale of the General Motors Building by Conseco, a co-conspirator, through a pattern of racketeering activity.

Behind The Scenes Of The General Motors Dispute Soros And Conseco Implement The RICO Activity

Upon information and belief, on June 7, 2002 Conseco retained Lazard to assist it with its grave financial difficulties. Lazard would later participate in the RICO conspiracy to analyze the value of Conseco Finance and provide such

information to the RICO Enterprise including, Fortress Financial, to enable the RICO Enterprise to acquire and maintain an interest in Consecos affiliate Consecos Finance.

Upon information and belief, at or about this time, the head of the Enterprise, George Soros, or someone else acting on behalf of the Enterprise, began implementing the pattern of racketeering activities which could be accomplished by having Consecos file for Bankruptcy protection under Chapter 11 of the Bankruptcy Code, so as to acquire Consecos assets at a discount price, including Consecos Finance and the General Motors Building and launder money through these entities.

During secret negotiations that ensued between the members of the RICO Enterprise and its co-conspirators, the RICO Enterprise engaged in a pattern of racketeering activity involving interstate commerce to acquire an interest in Consecos, to invest proceeds of a pattern of racketeering activities in Consecos, and to conduct the affairs of Consecos through a pattern of racketeering, through Money Laundering, Bankruptcy Fraud and Bid Rigging.

The next maneuver in the pattern of racketeering was to use the RICO Enterprise to ensure the sale of the General Motors Building to the co-conspirator designee of the Enterprise, Harry Macklowe, so that Soros could launder money through the rigged sale of General Motors Building.

George Soros And His Pattern of Money Laundering Activities In Interstate Commerce

Upon information and belief, George Soros is the Chairman of Soros Fund Management, a private investment management firm that serves as a principal advisor to the Quantum Group of Funds, based in the tax free Caribbean Country of Curaçao, a Caribbean tax haven, and a possession of the Netherlands Antilles.¶173.

Upon information and belief, the Netherland Antilles has

repeatedly been cited by the Task Force on Money Laundering of the Organization for Economic Cooperation and Development as one of the world's most important centers for laundering illegal proceeds of Latin American cocaine and other drug traffic.¶174.

In August of 1990, according to Reuters News Agency, the US Drug Enforcement Agency agents claimed that Banco de Columbia and other banks were conduits for Latin American drug money.¶177.

In or about August 1994, according to Reuters, Soros acquired a nine percent interest in Banco de Columbia.¶178.

According to the BBC, Soros was found guilty of felony criminal insider trading in France on January 29, 2002, and from profiting from inside knowledge of a 1998 takeover bid for Société Generale, a French Bank, and was fined 2.9 Million Dollars, which felony conviction was upheld by the French Court of Appeals, the Cour de Cassation, France's highest Court, on June 14, 2006.¶179.

George Soros Manipulates The Conseco Bankruptcy To Maximize The Acquisitions Of the RICO Enterprise To Launder Money and To Engage In Bid Rigging

Upon information and belief, from June 2002 to December 2002, the six month period prior to the planned Bankruptcy filing of Conseco, the Enterprise engaged in a pattern of racketeering activity with Soros, SFM Management, Soros Fund Management, Fortress Investment Group, Cerberus, Conseco, Lazard, Kirkland & Ellis, Fried Frank Harris Shriver & Jacobson, to prepare the Conseco bankruptcy proceeding to allow George Soros and the RICO Enterprise to Launder Money through the Conseco Bankruptcy using the purchase of Conseco Finance and the Debtor in Possession Financing to gain complete control of the Bankruptcy proceeding, and ultimately allowing Soros and the Enterprise to purchase the General Motors Building, to launder

money through its sale.¶182.

Upon information and belief, the RICO Enterprise also set up FPS DIP, LLC ("FPS DIP") to obtain the valuable position of Debtor in Possession financier to Conseco to Launder Money in the Conseco Bankruptcy. ¶190.

Upon information and belief, FPS DIP was also controlled by Fortress Investment Group and George Soros, who had been, and, upon information and belief, remain co-conspirators in Money Laundering through partnerships they maintain in Curaçao, N.A.¶191.

The Rico Enterprise Takes Control Of The Conseco Bankruptcy

The Bankruptcy filing of Conseco was the third largest Bankruptcy proceeding, smaller only than Enron and WorldCom. ¶202.

Upon information and belief, since the members of CFN Holdings had been reviewing the assets of Conseco Finance since at least July 2002, only CFN Holdings and the RICO Enterprise, George Soros, Fortress Investment Group, Conseco and Lazard knew the true worth of Conseco Finance, which facts were never disclosed by CFN Holdings or Conseco to the third parties who attempted to bid on the purchase of Conseco Finance.¶204.

The RICO Enterprise Commences The Flood of Motions To Take Control of The Bankruptcy of Conseco

On December 19, 2002, Conseco made an emergency motion for an Order seeking to allow FPS DIP and U.S. Bank to act as the Debtor in Possession financiers of Conseco to approve the Secured Super-Priority Debtor in Possession Credit Agreement dated December 19, 2002 between Conseco Finance and FPS DIP to obtain secured post-petition financing up to the principal amount of 125 Million from FPS DIP.¶208.

In connection with the aforesaid motions, Conseco, by its

counsel, Kirkland & Ellis, represented that it Fortress/Flowers as the potential purchaser of Conseco Finance but that without the approval of the FPS DIP financing order, Conseco "will not be able to continue operations for more than a few days, and will not allow them to fund the completion of their restructuring process." (See Exhibit "T" annexed to the Compendium of Exhibits.)¶210.

The Illegal Acquisition of Conseco Finance By The Soros RICO Enterprise

On January 13, 2003, Conseco, through its counsel, Kirkland & Ellis, responded to the objections of the Committee of Unsecured Creditors of Conseco Finance by, inter alia, by falsely representing that the CFN Holdings Asset Purchase Agreement was entered into "at arms' length," which constituted Bankruptcy Fraud.¶224.

Since CFN Holdings had assessed the true value of Conseco Finance before the Bankruptcy, and since the Bankruptcy Court had granted CFN Holdings certain protections in connection with the purchase of Conseco Finance, only CFN Holdings had a realistic chance of acquiring Conseco Finance, on behalf of the RICO Enterprise.¶235.

The Machinations of Trump And Conseco to Resolve The Ownership of the General Motors Building In Furtherance Of the RICO Enterprise

Upon information and belief, as part of the racketeering activity engineered by the RICO Enterprise, Soros or someone else on behalf on behalf of the RICO Enterprise approached Trump with a proposal to use Bankruptcy Fraud to acquire the General Motors Building and, once acquired by the Enterprise, Soros and the other individuals associated in fact with Soros, including Trump, to engage in a Money Laundering scheme through which they could launder money through the General Motors Building sale. ¶241.

[After the dispute between Conseco and Trump was resolved by the American Arbitration Association in favor of Conseco] Despite the fact that Carmel Fifth could have entered judgment upon the Arbitration Award against Donald J. Trump which would have netted Trump approximately only 15 Million Dollars, and created a massive windfall for Conseco and Carmel Fifth, on or about June 24, 2003, in furtherance of the racketeering activity of the Enterprise, Carmel Fifth and 767 Manager and Donald J. Trump instead agreed to dismiss the state court proceeding to confirm the Arbitration Award with prejudice and entered into "a confidential agreement." (See Exhibit "JJ" annexed to the Compendium of Exhibits.) ¶331.

Upon information and belief, the confidential agreement concerned the division of the proceeds of the sale of the General Motors Building by paying Trump 275 Million Dollars. ¶332.

This confidential agreement was in furtherance of the pattern of racketeering to launder money through the sale of the General Motors Building. ¶333.

The Money Laundering Is Set In Place By The Creation Of Ephemeral Entities And Illusory Obligations

During the twenty-eight days between the announcement that Macklowe had won the bidding and the closing date, Soros with the other members of the racketeering Enterprise and conspirators therewith engineered the creation of shell entities and various illusory obligations and transactions which would make it appear that Macklowe was buying the General Motors Building instead of the actual purpose of Money Laundering. ¶374.

What is the history of Jesuit Order and their origins in Spain prior to Spanish Inquisition?

Dr. Robert Aleksander Maryks, February 24, 2010, Boston College Front Row.

On the early Jewish Jesuits Ignatius of Loyola and his secretary Juan Alfonso de Polanco, who was also secretary to Loyola's successors Diego Lainez (another "converso") and Francis Borgia.

THE JEWISH UTOPIA", discovered by the author in an unlisted Jewish collection in the library of the University of Texas, is the authentic and complete plan of the Zionists for world domination. It pictures the ultimate "new social order" which the Zionists hope to establish after they have used Communism, democracy and a third world war to gain their ends.

THE ULTIMATE WORLD ORDER is an analysis of "The Jewish Utopia", with photographs and excerpts from the original text.

The Ultimate World Order – as Pictured in "The Jewish Utopia"

If the Communists think they are going to conquer all the nations and set up a world government under a dictator of their own choosing they may be in for a surprise. For their parent, the sect which originally launched the Communist movement as an offshoot to accomplish a specific and temporary purpose, has plans for an ultimate world order of its own; and this sect, commonly called Zionist, now vastly overshadows the much cruder Communist machine in skill, finance, organization and influence.

The Communist plan for rubbing out all national, religious, cultural and racial lines and submerging the world in formless, characterless chaos for easy domination is grandiose enough. To say that there is still another, more grandiose plan beyond that for which the Communist machine was set up is indeed to challenge the credulity of most of us, especially of us Anglo-Saxons who are too busy with our humdrum routines to pull the propaganda curtain aside and see the giant hiding there.

Not many years after I began studying the Communist movement, trying to understand it, I noticed a hint that Communism was not to be the ultimate world order. Heinrich Heine, German-Jewish poet and Communist youth leader of the 1830s and 1840s (friend and co-revolutionary of Karl Marx) spoke of Communism as temporary.*

Why and in what way temporary? What did this far-sighted master strategist of revolution see as the successor to Communism? Is it not disturbing enough that a machine dedicated to liquidating all opponents, wiping out the nations as such and the best blood of the races and blending the remnants into a faceless brown slob (see picture from a UNESCO book elsewhere herein) – is it not disturbing enough that this the Communist machine already enslaves nearly half the people of the world and is armed with hydrogen bombs?

*The Heine prophecy of the destruction of Russia nearly a hundred years before the event is so revealing and so amazing as to justify quoting at some length. Note the picture of a nationless, raceless world, “one flock and one shepherd . . . with an iron staff”:

“Communism, though little discussed now and loitering in hidden garrets on miserable straw pallets, is the dark hero destined for a great, if temporary, role in the modern tragedy . . .

“It would be war, the ghastliest war of destruction . . . The second act is the European and the World Revolution, the great duel between the destitute and the aristocracy of wealth; and in that there will be no mention of either nationality or religion; there will be only one fatherland, the globe, and only one faith, that in happiness on earth . . .

How could the drama end? “I do not know; but I think that eventually the great sea serpent (Britain) will have its head crushed and the skin of the Northern Bear (Russia) will be pulled over its ears. There may be only one flock and one shepherd – one free shepherd with an iron staff, and a shorn-alike, bleating-alike human herd! . . .

“... The Gods are veiling their faces in pity on the children of man, their long-time charges, and perhaps over their own fate. The future smells of Russian leather, blood, godlessness and

many whippings. I should advise our grandchildren to be born with very thick skins on their backs." 1

If Communism is only temporary, what is to be the ultimate novus ordo seclorum, the new order, of society if the successors to the Jewish revolutionaries, Marx and Heine, accomplish their aim? Who are to be the masters of the new order and what do they want to do with our children and grandchildren?

It goes without saying that no man can escape concern about such a scheme if it has powerful backing.

For years I have felt that somewhere there must be a master plan showing what Heine and his fellow planners had in mind for us, after the fires of Communism burn away the heritages of the various races and cultures, religions and nations; after Communist monsters have killed out several generations of what they rightfully call "the leadership personnel", all who might have the intelligence, skill and courage to resist.

But I little expected ever to have this ultimate master plan, this chapter beyond the Communist Manifesto, in my hands. Of the hundreds of documents I have collected on activities of the Marxist revolutionaries – including originals or photostats of official government reports, Intelligence releases, Communist papers, Zionist organizational reports to their members, Jewish histories of revolutions, biographies of their revolutionary leaders, etc. – I have never seen anything comparable; for this small book sketches the general outlines of the ultimate goal hundreds of years ahead, toward which all the various activities of the Zionists and their "liberal" dupes are, wittingly or unwittingly, contributing.

ZIONISM FROM TALMUD AND TORAH

Yet, the book was not marked secret; it was in plain English and in the Library of the University of Texas. (And a friend has found a copy in the Library of Congress, Washington, D.C.,

supposedly a copy which was filed with application for copyright in 1932.)

It is a book of 118 pages, plus preface, notes and bibliography, entitled The Jewish Utopia (not A Jewish Utopia, but THE Jewish Utopia), by Michael Higger, a university professor, published by the Lord Baltimore Press, Baltimore, Md., 1932, and copyrighted the same year by the author. If the book is not marked secret, if it is in plain English, it is nevertheless almost safe, for it is largely couched in the esoteric language which all Jewish revolutionaries have used throughout known history, language found even in their Torah, (the Books of Moses) and which Jewish writers imparted to Communist literature. Their use of words which you and I take to mean one thing but which their followers understand as meaning something else, a system which our people little suspect, almost guarantees the security of the document.

Here at last is the complete plan of the Zionists, in their own words, for world domination.

The author speaks of "the righteous" and "the just". He says they shall inherit the earth. He quotes the Prophets, the Books of Moses, etc. Who would suspect that he had political revolution and total conquest in mind?

But read on and you find that the "righteous" are to be the Zionist Jews and such gentiles as they may accept. All others shall perish.

That is what the author says repeatedly, on page after page. And note that this book is not the creation of the Jewish Professor, Michael Higger; he merely compiled it. It is the sum total of the prophecies, teachings, plans and interpretations of the foremost rabbis and Jewish tribal leaders of the past 2500 years – since the time of the Oral Law and the beginning of the Babylonian Talmud, with its double standard for Jews and non-Jews and its nationalistic,

militant interpretation of the Torah (the Books of Moses, the first five books of the Old Testament).

There is no mistaking who is meant by "the righteous". Mr. Higger says even those Jews who fail to enter into the program of the Utopia (which he reveals to be the same program of Socialism, brotherhood and internationalism as that of the Zionists and involving much also that is Communist) will be denied the Utopia. Even the non-conforming Jews shall perish, along with the rest of us.

On page after page Mr. Higger's Jewish Utopia unfolds the ultimate order. Some mighty force, with the ruler from the house of David on the throne, is to take control of every life, every shekel's worth of property, every acre of land, every nugget and coin; no child may live, none may be born, if the Power objects.

And the regard in which The Jewish Utopia is held by the rabbinate may be surmised from the printed Texas University Library seal inside the front cover, (see photograph) which says the book was "Presented by the Kallah of Texas Rabbis, 1939" to The Abraham I. Schechter Collection of Hebraica and Judaica" of the University library.

I stated earlier that the book was in plain English. The fact is, it is addressed throughout to students familiar with the Talmud, the teachings of the foremost rabbis of Jewish history; it was not in the library proper but in the Abraham I. Schechter collection, to which one may have access only by special permission; and it was not, and is not, listed in the library catalogue.

We shall see presently the plan in detail. We would dismiss the entire book as a daydream by an unbalanced mind but for the facts of history, including current history, in which the Socialistic man-trap has caught this and other countries and people, and is steadily sucking their blood. The Jewish

machine has men in the most powerful positions; protected by the cowardice of leaders who fear to be called "anti-Semitic". We are paralyzed by that atom-powered little scare word; we are children afraid of the dark.

Apparently a good many Jews themselves are now fearful of the impending bloodshed. I have known, and do know, many Jews; while the Jewish temperament is incredibly true to pattern, there are many who realize that they have found the Promised Land, their Utopia here intolerant, benevolent, rich America; and if we appeal to these, they might well join us in the fight to keep America free.

Mr. Higger says those Jews who do not knuckle under and who are not "tall and handsome" will be weeded out.

While our first concern is for the survival and continued freedom of our children and grandchildren, we ought to find helpful allies among the Jews. Several million Russian children and many millions of adults have been beaten to death, shot or starved by the insane Marxist machine called Bolshevism, or Communism; and the Zionists, Communists and their foolish "liberal" dupes are far advanced with the Marxist Socialist program in this threatened Republic.

So that the reader may not be asked to take my word, I am showing several pages photographed from Mr. Higger's unique blueprint for conquest.

THE AIM

Professor Higger states his aim in the first paragraph of his Preface:

"For my main problem is to reconstruct an ideal social life on earth as pictured by the rabbis of old."

He adds, later:

"An ideal society among the family of nations, as visualized

by the prophets, although not realized as yet, will ultimately be achieved. Nations will come, nations will go. Dogmatic Christianity has come, dogmatic Christianity will be gone. 'Isms' have created nations, 'isms' will destroy nations. Capitalism has brought happiness and woes to mankind; Communism may bring its paradise and hells to mankind. Doctrines have shaped the destinies of peoples, doctrines may bring destruction to peoples. But the millennium will come only when the nations of the earth direct their efforts toward the visions of the prophets, and make function the teachings of Amos, Isaiah and Micah."

Do Professor Higger and Talmudic rabbis interpret the Prophets as do the Christians? Or do they believe that the Jewish Prophets of the Old Testament were trying to keep their people dedicated to a religion of conquest; trying to keep them united and moving toward political and economic domination? Let us keep the question in mind as we read; eventually we shall find the answer. Mr. Higger continues:

Dr. Joseph Goebbels speech delivered in Nurnberg 13 Sept 1935 Seventh National Socialist Party

Many in America today [have no clue of history](#) of Communist Party and others being created since 2008. Revolutionary Communist Party USA has [played major role in Ferguson](#) Riots.

The Red Summer refers to the race riots that occurred in more than three dozen cities in the United States during the summer and early autumn of 1919. In most instances, whites attacked African Americans. In some cases many blacks fought back, notably in Chicago, where, along with Washington, D.C. and Elaine, Arkansas, the greatest number of fatalities occurred.[1]

[The riots followed postwar social tensions](#) related to the demobilization of veterans of World War I, both black and white, and competition for jobs among ethnic whites and blacks. The riots were extensively documented in the press, which along with the federal government conflated black movements with bolshevism.

Activist and author James Weldon Johnson, employed since 1916 by the National Association for the Advancement of Colored People (NAACP) as a field secretary, coined the term "Red

Summer.” In 1919, he organized peaceful protests against the racial violence of that summer.

The Red Scare and the communist party (1919–1923)[edit]

From its inception, the Communist Party USA came under attack from state and federal governments and later the Federal Bureau of Investigation. In 1919, after a series of unattributed bombings and attempted assassinations of government officials, and judges (later traced to militant adherents of the radical anarchist Luigi Galleani), the US Department of Justice headed by Attorney General A. Mitchell Palmer, acting under the Sedition Act of 1918, began arresting thousands of foreign-born party members, many of whom the government deported. The Communist Party was forced underground and took to the use of pseudonyms and secret meetings in an effort to evade the authorities.

The party apparatus was to a great extent underground. It re-emerged in the last days of 1921 as a legal political party called the Workers Party of America. As the red scare and deportations of the early 1920s ebbed, the party became bolder and more open. An element of the party, however, remained permanently underground and came to be known as the “CPUSA secret apparatus.”

IMMIGRATION CONTROL KEY TO PREVENTING INSURRECTIONS

Not every immigrant came to America for religious freedom. As JFK stated in his famous “Secret Society” speech “covet means” and “infiltration rather than invasion”. The Red Summer of 1919 and mass immigration, labor unions, massive growth of political parties lead to [War Department DOD Training Manual](#) addressing massive immigration and steps to preserve the republic.

During this time, immigrants from [Eastern Europe](#) are said to have played a very [prominent role in the CPUSA](#). A majority of the members of the Socialist Party were immigrants and an “overwhelming” percentage of the CPUSA consisted of recent immigrants.

HILLARY CLINTON'S CROSSHAIRS ON FREE SPEECH AND FREEDOM OF RELIGION

Criminalizing intolerance

December 12, 2011 Johnathan Turley LA Times

<http://articles.latimes.com/2011/dec/12>At a United Nations conference this week, free speech is in the cross hairs.

This week in Washington, the United States is hosting an international conference obliquely titled "Expert Meeting on Implementing the U.N. Human Rights Resolution 16/18." The impenetrable title conceals the disturbing agenda: to establish international standards for, among other things, criminalizing "intolerance, negative stereotyping and stigmatization of ... religion and belief." The unstated enemy of religion in this conference is free speech, and the Obama administration is facilitating efforts by Muslim countries to "deter" some speech in the name of human rights.

FOR THE RECORD:

Blasphemy: The phrase “the prosecution of” was inadvertently dropped in a Dec. 13 Op-Ed about a U.N. resolution on blasphemy. The sentence should read: “While the resolution also speaks to combating incitement to violence, the core purpose behind this and previous measures has been to justify the prosecution of those who speak against religion.”

Although the resolution also speaks to combating incitement to violence, the core purpose behind this and previous measures has been to justify those who speak against religion. The members of the Organization of Islamic Cooperation, or OIC, have been pushing for years to gain international legitimacy of their domestic criminal prosecutions of anti-religious speech.

This year, Secretary of State Hillary Rodham Clinton invited nations to come to implement the resolution and “to build those muscles” needed “to avoid a return to the old patterns of division.” Those “old patterns” include instances in which writers and cartoonists became the targets of protests by religious groups. The most famous such incident occurred in 2005 when a Danish newspaper published cartoons mocking the prophet Muhammad. The result were worldwide protests in which Muslims reportedly killed more than 100 people – a curious way to demonstrate religious tolerance. While Western governments reaffirmed the right of people to free speech after the riots, they quietly moved toward greater prosecution of anti-religious speech under laws prohibiting hate speech and discrimination.

The OIC members have long sought to elevate religious dogma over individual rights. In 1990, members adopted the Cairo Declaration, which rejected core provisions of the U.N. Universal Declaration of Human Rights and affirmed that free

speech and other rights must be consistent with “the principles of the sharia,” or Islamic law. The biggest victory of the OIC came in 2009 when the Obama administration joined in condemning speech containing “negative racial and religious stereotyping” and asked states to “take effective measures” to combat incidents, including those of “religious intolerance.” Then, in March, the U.S. supported Resolution 16/18’s call for states to “criminalize incitement to imminent violence based on religion or belief.” It also “condemns” statements that advocate “hostility” toward religion. Although the latest resolution refers to “incitement” rather than “defamation” of religion (which appeared in the 2005 resolution), it continues the disingenuous effort to justify crackdowns on religious critics in the name of human rights law.

The OIC has hit on a winning strategy to get Western countries to break away from their commitment to free speech by repackaging blasphemy as hate speech and free speech as the manifestation of “intolerance.” Now, orthodoxy is to be protected in the name of pluralism – requiring their own notion of “respect and empathy and tolerance.” One has to look only at the OIC member countries, however, to see their vision of empathy and tolerance, as well as their low threshold for anti-religious speech that incites people. In September, a Kuwaiti court jailed a person for tweeting a message deemed derogatory to Shiites. In Pakistan last year, a doctor was arrested for throwing out a business card of a man named Muhammad because he shared the prophet’s name.

The core countries behind this effort show little tolerance or “empathy” themselves for opposing religions or viewpoints. Saudi Arabia will not allow the construction of a church in the kingdom, let alone allow public observance of other faiths. This year, the Saudi interior minister declared free speech to be an offense against God, declaring the kingdom “categorically [bans] all sorts of demonstrations, marches and sit-ins ... as they contradict Islamic sharia law and the values

and traditions of Saudi society.” Last week, Saudi courts sentenced an Australian Muslim to be flogged 500 times and sent to jail for “insulting” Muhammad.

Some interesting reading...

The ACLU's shocking legacy

“One of the great myths of the 20th – and now 21st – century is the belief that the American Civil Liberties Union was an organization that had a noble beginning, but somehow strayed off course.

That myth is untrue. [The ACLU set a course to destroy America – her freedom and her values – right from the start.](#)

From its very beginning, the ACLU had strong socialist and communist ties. As early as 1931, the U.S. Congress was alarmed by the ACLU's devotion to communism. A report by the Special House Committee to Investigate Communist Activities stated

The American Civil Liberties Union is closely affiliated with the communist movement in the United States, and fully 90 percent of its efforts are on behalf of communists who have come into conflict with the law. It claims to stand for free speech, free press and free assembly, but it is quite apparent that the main function of the ACLU is an attempt to protect the communists.

Roger Baldwin and Crystal Eastman founded the ACLU in 1920

along with three other organizations dedicated to the most leftist of causes. The histories of these two individuals belie their claims of patriotism and respect for the Constitution.

Baldwin openly sought the utter destruction of American society.”

ROGER NASH BALDWIN, founder of the ACLU, who in 1935 stated”
...Communism is the goal.” [Background information on Baldwin from Discover The Networks.](#)

FDR must have been a Communist. Consider what FDR told Rep. Martin Dies in 1940:

I do not regard the Communists as any present or future threat to our country, in fact I look upon Russia as our strongest ally in the years to come. As I told you when you began your investigation, you should confine yourself to Nazis and Fascists. While I do not believe in Communism, Russia is far better off and the world is safer with Russia under Communism than under the Czars. Stalin is a great leader, and although I deplore some of his methods, it is the only way he can safeguard his government.

His protestation of a lack of belief in Communism is completely belied by his words here and in many, many ways by his actions.

BALDWIN AND ELEANOR ROOSEVELT

“Baldwin joined the American Union Against Militarism (A.U.A.M), an anti-war organization located in New York, at a time when Congress was punishing dissenters for exercising their rights to question or oppose the government’s wartime policies. This restriction on free speech enraged Baldwin and his A.U.A.M. allies, who were working to become more organized and unified. Baldwin applied for Conscientious Objector status but his application was denied, and he was sentenced to one year in prison for refusing to enlist. The FBI was responsible for Baldwin’s arrest, and before incarcerating him they asked him to organize the Bureau’s civil liberties files, which were in disarray. This gave Baldwin a chance to charm the Bureau and while he still was required to carry out his prison sentence, the FBI later gave him a Christmas gift with the engraving, “To the only criminal we have ever loved.”

After his release from prison, Baldwin brought together an extraordinary group of individuals – Albert DeSiver, Walter Nelles, Crystal Eastman, Clarence Darrow, Norman Thomas, Helen Keller, Jane Adams, Oscar Garrison Villard, and Felix Frankfurter – with whom he founded the American Civil Liberties Union. This organization, dedicated to protecting the freedoms granted to American citizens by the Bill of Rights and Constitution, brought litigation against local, state and federal agencies in order to test the constitutionality of laws that seemed to restrict a citizen’s civil liberties. According to Jerome J. Shestack, Baldwin “defended just about everybody – brown shirts and reds, hard hats and eggheads, rabble-rousers and nudists, free-thinkers and conservatives, books from *Uncle Tom’s Cabin* to *Ulysses*, and pamphleteers galore. No current expediency, no popular tide ever made him cower or diverted him from the defense of

liberties.” When questioned about the fact that his “clients” were of all political persuasions and backgrounds, Baldwin responded, “I always felt from the beginning that you had to defend people you dislike and feared as well as those you admired.”

ACLU: ‘Communism is the Goal’

“There is perhaps no greater example of ironic doublespeak than inclusion of the phrase “civil liberties” within the inapt designation: [“American Civil Liberties Union.”](#)

Indeed, few leftist organizations in existence today can compete with the ACLU in terms of demonstrated hostility toward what the Declaration of Independence describes as “certain unalienable rights” with which Americans are “endowed by their Creator.”

Consider the doublespeak inherent throughout the “progressive” Goliath’s [flowery self-representation](#):

The ACLU is our nation’s guardian of liberty, working daily in courts, legislatures and communities to defend and preserve the individual rights and liberties that the Constitution and laws of the United States guarantee everyone in this country.

Now contrast that depiction with ACLU founder Roger Baldwin’s candid vision:

I am for socialism, disarmament, and, ultimately, for abolishing the state itself... I seek the social ownership of property, the abolition of the propertied class, and the sole control of those who produce wealth. Communism is the goal.

Ironic, isn’t it? So much for “life, liberty and the pursuit of happiness.” By combining straightforward segments from each ACLU rendering we arrive with an accurate portrayal. One that cuts through the doublespeak:

The ACLU is...working daily in courts, legislatures and communities. Communism is the goal.

In 1931, just eleven years after the ACLU's inception, the US Congress convened a [Special House Committee](#) to Investigate Communist Activities. On the ACLU it reported:

The American Civil Liberties Union is closely affiliated with the communist movement in the United States, and fully 90 percent of its efforts are on behalf of communists who have come into conflict with the law. It claims to stand for free speech, free press and free assembly, but it is quite apparent that the main function of the ACLU is an attempt to protect the communists.

To be sure, the "main function of the ACLU" is entirely counter-constitutional.

A shared objective between both Communism generally, and the ACLU specifically is the suppression of religious liberty; principally, the free exercise of Christianity.

Karl Marx, high priest of the ACLU's beloved cult of Communism, once said: ["The first requisite for the happiness of the people is the abolition of religion."](#)

August 24, 1954 CONGRESS PASSES COMMUNIST CONTROL ACT

Excerpts:

U.S. Statutes at Large, Public

Law 637, Chp. 886, p. 775-780

AN ACT

To outlaw the Communist Party, to prohibit members of Communist organizations from serving incertain representative capacities, and for other purposes. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Communist Control Act of 1954".

Findings of Fact

Sec. 2. The Congress hereby finds and declares that the Communist

Party of the United States, although purportedly a political party, is in fact an instrumentality of a conspiracy to overthrow the

Government of the United States. It constitutes an authoritarian dictatorship within a republic, demanding for itself the rights and privileges accorded to political parties, but denying to all others the liberties guaranteed by the Constitution.

HOLY EXPERIMENT 101

With Constitutional liberties threatened are there [Fifth Column movements](#) within government?

"Whether our religion permits Christians to vote for infidel rulers is a question which merits more consideration than it seems yet to have generally received either from the clergy or the laity. It appears to me that what the prophet said to Jehoshaphat about his attachment to Ahab ["Shouldst thou help the ungodly and love them that hate the Lord?"]

2 Chronicles 19:2] affords a salutary lesson." [The Correspondence and Public Papers of John Jay, 1794-1826, Henry P. Johnston, editor (New York: G.P. Putnam's Sons, 1893), Vol. IV, p.365]

With calculated, methodical assaults against our judicial and constitutional system increasing; is it time American's should know the truth? What is America's (identity) as a nation?

Is America's [history of Puritans and Pilgrims](#) and national identity even taught in schools anymore? Our Constitution was created and patterned after same government philosophy as "Mayflower Compact". Sir William Blackstone created ([LONANG](#)) [Laws of Nature and Nature's God](#) at one time commonly known as "Law of England". [After King John's "Magna Charter"](#) England went to a gradual moral decline between powers of ruling families. From Mary Tudor (Bloody Mary) efforts to bring back established religion of "Holy Roman Empire" up to King James who created term "Divine Right's of King's" religious freedom was declining rapidly in Europe. British "Pilgrim" Sue Allen tells [history of Christian persecution](#) during this time period.

John Locke considered "Father of Enlightenment Period" was among those fleeing England to Holland avoiding religious persecution. John Locke wrote many books among the most famous was "Second Treatise of Government" which Thomas Jefferson used as "blueprint" for Declaration of

Independence.

The Holy Experiment” to establish a “Moral-Self-Governing” Society. The Bible being the ultimate source of morality for Christians they wrote biblical Laws into the Common Law to establish morality. In terms of Religion that was “Free Will” and choice to ensure that even Christianity would not become an “Established Religion”. This nation was not established upon ANY established religion. There is bi-partisan effort dueling for control in America. Education Day served its purpose brainwashing America into the “great falling away”. The minute we place an Established Religion in place of our Constitution that’s when we enter “The Dark Ages” according to Daniel Webster.

"Render unto Caesar what is Caesar's and unto God what is God's. Under William Blackstone's government philosophy liberties are granted by Nature's God.

“Providence has given our people the choice of their rulers, and it is the duty, as well as privilege and interest, of a Christian nation to select and prefer Christians for their rulers.”

John Jay First Chief Justice Oct. 12, 1816, in a statement, The Correspondence and Public Papers of John Jay, Henry Johnston

Our Founding Father’s wrote Blackstone’s laws (biblical laws) into Common Law to ensure “morality” but leaving actual

religious belief up to conscience and free will. Preventing the religious tyranny of England they created "Establishment Clause" in First Amendment. Being well educated and carefully analyzing previous governments throughout history understanding [no civilization survived "moral decay"](#). Constitutional debates lasted from May 25 to September 17, 1787 This point was crucial creating a "Self-Governing" Republic. Our Constitution's [Tenth Amendment](#) and Article 4 Sec. 4 the ["guarantee clause"](#). Understanding the private ambitions of men our Founding Father's patterned 2nd Amendment after [the first Law of Nature \(irrevocable right to life and self-defense\)](#) to protect rights granted only by "The Creator". While the revisionists, humanists and atheists deny this the stubborn facts are here if we only open our minds to truth.

The definition of a CoG is "the source of power that provides moral or physical strength, freedom of action, or will to act."

Thus, the center of gravity is usually seen as the "source of strength". DOD War Department definition of Prussian Military War Strategist Karl Von Clausewitz "Center of Gravity" from "On War".

"We hold it for a fundamental and undeniable truth "that religion, or the duty which we owe our Creator, and the manner of discharging it, can be directed only by reason and conviction,

not by force or violence.” The religion, then, of every man must be left to the conviction and conscience of every man: and that it is the right of every man to exercise it as these may dictate”. James Madison, A Memorial and Remonstrance Against Religious Assessments, addressed to the Virginia General Assembly, June 20, 1785

The Founding Father's created a system of three branches of government to ensure separation of powers while republic and people were giving the mass of power. This was never attempted before even in previous republic's like Rome with only a senate.

What brought the Mayflower to America? DIVINE PROVIDENCE

As we approach National Day of Thanksgiving having a long tradition in American history. Both Puritans at Plymouth Rock and Pilgrims at Jamestown, VA braved all odds for their religious freedom. Both “Mayflower Compact” and [Constitutional Law based foundations based](#) on (LONANG) Laws of Nature and Nature’s God.

As we give thanks this Thanksgiving let’s remember our forefathers and rich history America has in freedom and liberty. America sets record existing 338 years under same constitution. Our Founding Father’s definitely did something right. America’s greatness came from “Divine Providence” due to their faith in Nature’s God. America standing against the global superpower of that time was the foundation of American Exceptionalism.

"Being thus arrived in a good harbor and brought safe to land, they fell upon their knees and blessed the God of Heaven who had brought them over the vast and furious ocean."

William Bradford

Colonies in British North America needed permission, in the form of a "patent" or charter, from the king or from a company authorized by him. Before the Mayflower sailed, the Pilgrims obtained the First Peirce Patent for a settlement in the northern part of the Virginia Colony. The Pilgrims landed north of the patent's boundaries. When the Mayflower reached Cape Cod, anchoring in today's Provincetown Harbor, in November of 1620, some passengers questioned the authority of the group's leaders. That authority had been granted by a patent (or charter) for a settlement in the northern part of the Virginia Colony. The patent was not valid in New England. The Pilgrims drew up an agreement that the passengers would stay together in a "civil body politic." That agreement, known as the "Mayflower Compact," was signed on November 21, 1620. The original Mayflower Compact has disappeared; we know its wording from the writings of William Bradford.

Text of Mayflower Compact:

In the name of God, Amen. We whose names are under-written, the loyal subjects of our dread sovereign Lord, King James, by the grace of God, of Great Britain, France, and Ireland King, Defender of the Faith, etc.

Having undertaken, for the glory of God, and advancement of the Christian faith, and honor of our King and Country, a voyage to plant the first colony in the northern parts of Virginia, do by these presents solemnly and mutually, in the presence of God, and one of another, covenant and combine our selves together into a civil body politic, for our better ordering and preservation and furtherance of the ends aforesaid; and by virtue hereof to enact, constitute, and frame such just and equal laws, ordinances, acts, constitutions and offices, from time to time, as shall be thought most meet and convenient for the general good of the Colony, unto which we promise all due submission and obedience. In witness whereof we have hereunder subscribed our names at Cape Cod, the eleventh of November [New Style, November 21], in the year of the reign of our sovereign lord, King James, of England, France, and Ireland, the eighteenth, and of Scotland the fifty-fourth. I Proverbs 16:9

The heart of man plans his way, but the Lord establishes his steps.

Webster's 1828 English Dictionary

PROVIDENCE: PROV'IDENCE, n. [L. providentia.]

1. The act of providing or preparing for future use or application.

Providence for war is the best prevention of it. [Now little used.]

2. Foresight; timely care; particularly, active foresight, or foresight accompanied with the procurement of what is necessary for future use, or with suitable preparation. How many of the troubles and perplexities of life proceed from want of providence!

3. In theology, the care and superintendence which God exercises over his creatures. He that acknowledges a creation and denies a providence, involves himself in a palpable

contradiction; for the same power which caused a thing to exist is necessary to continue its existence. Some persons admit a general providence, but deny a particular providence, not considering that a general providence consists of particulars. A belief in divine providence, is a source of great consolation to good men. By divine providence is often understood God himself.

4. Prudence in the management of one's concerns or in private economy.

Fearless Optimism: the Story of the [Geneva Bible](#)

The struggle between tyranny and liberty today in America is at a critical tipping point. Yet the force that transformed the world still holds the solutions for our crises. The road to liberty has never changed.

The Geneva Bible has been the lost treasure of Christianity for over four hundred years. Nearly forgotten by the modern world, this version of the Holy Scriptures was translated and compiled by exiled reformers in Geneva (1557-1560) and stands alone in history as the force that transformed the English speaking world from the backwater of history into the center of civilization.

The Pilgrims Formula to Save America

If we go back to the formula the Pilgrims laid out for a successful America, we can still save America.

The Mayflower Compact was signed by those aboard before ever stepping foot of of the ship.

The Forefathers Monument stands on a forgotten hill in Plymouth, Massachusetts. The central figure of the Forefathers Monument is: FAITH

The Forefathers Monument: Faith

“Why is Faith so important in the struggle to restore liberty and prosperity to America? It is crucial because man is inescapably religious. All cultures are built upon some form of religious faith. In comparison to biblical Christianity, what have other faiths produced throughout history? Is it true, as the multi-cultural advocates suggest that many religious faiths created the modern western world as we know it? Historian Rodney Stark gives us a realistic picture of what the world would be like if it were dominated by other religions such as the polytheistic gods of Greece or Rome, or the non-theistic gods of Hinduism, Taoism, and Buddhism. He says, “Christianity created Western Civilization...without a theology committed to reason, progress, and moral equality [Christianity], today the entire world would be about where non-European societies were in, say, 1800. A world with many astrologers and alchemists but no scientists. A world of despots, lacking universities, banks, factories, eyeglasses,

chimneys, and pianos. A world where most infants do not live to the age of five and many women die in childbirth – a world truly living in the dark ages.” A host of other brilliant historians agree. This is why faith is so important. As the Bible teaches, our faith determines our eternal relationship with God. It also determines whether our life will bring liberty or tyranny to men and nations. Christianity was the primary source of all of our institutions.”
