Christians ‘Crucified Again’ for refusing Islam

Not covered by the mainstream media is the targeted killing of Christians in Muslim countries as well as the apostate Muslims who are not “Sharia” enough...<http://www.humanevents.com/2014/05/06/christians-crucified-again-for-refusing-islam/>

The mass exodus of Christians from the Muslim world

A mass exodus of Christians is currently underway. Millions of Christians are being displaced from one end of the Islamic world to the other.

We are reliving the true history of how the Islamic world, much of which prior to the Islamic conquests was almost entirely Christian, came into being.

The [U.S. Commission on International Religious Freedom](http://www.uscifr.gov/) recently said: “The flight of Christians out of the region is unprecedented and it’s increasing year by year.” In our lifetime alone “Christians might disappear altogether from Iraq, Afghanistan, and Egypt <http://www.foxnews.com/opinion/2013/05/07/mass-exodus-Christians-from-muslim-world/>

The Coming Islamic Caliphate: SAUDIS = Wahhabist Empire

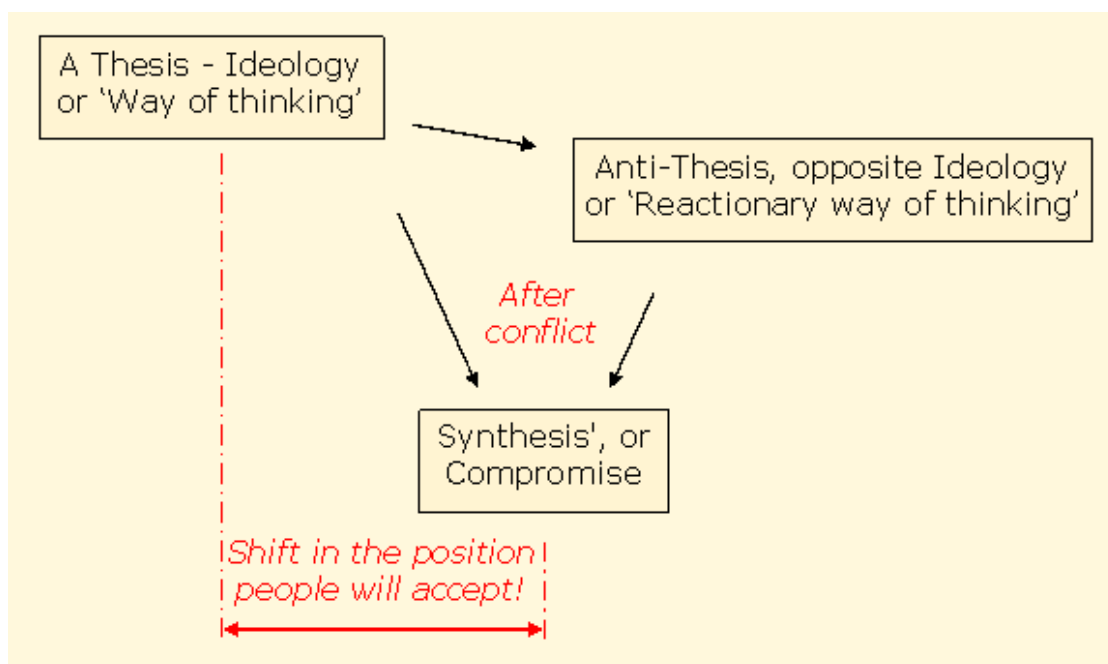

“Perhaps it is a universal truth that the loss of liberty at home is to be charged against provisions against danger, real or pretended

from abroad" . James Madison

Letter to Thomas Jefferson 13 May 1798 published in *Letters and Other Writings of James Madison* (1865), Vol. II, p. 141

Is New World Order being created in front of our eyes using Hegelian Dialect?

Hegel's method in philosophy consists of the triadic development (*Entwicklung*) in each concept and each thing. Thus, he hopes, philosophy will not contradict experience, but will give data of experience to the philosophical, which is the ultimately true explanation. If, for instance, we wish to know what [liberty](#) is, we take that concept where we first find it—the unrestrained action of the savage, who does not feel the need of repressing any thought, feeling, or tendency to act. [Psychological Warfare](#) with use of confusion of opposing conflicts and [propaganda](#) will result in loss of ability to resist or [defend yourself, country or family.](#)

“Hegelim” Another “ISM” created to bring Washington Consensus down with Communism.

500,000 flee as Wahhabi militants in firm control of Iraq's Mosul Are we getting the "Big Picture" here? British created Wahhabi is killing off Muslim and non-Muslim.

Sunday 10/08/2014, 23:50 (Jerusalem BASHIQA, Iraq (AFP) – Wahhabi militants were in firm control Wednesday of Iraq's second city Mosul after seizing it and a swathe of other territory, patrolling its streets and calling for government employees to return to work.

Half a million flee' The International Organization for Migration said Wednesday that around half a million Iraqis had fled their homes in Mosul following the city's fall, fearing increased violence.

The Geneva-based organization said its sources on the ground estimated the violence leading up to ISIL's total takeover "displaced over 500,000 people in and around the city."

The violence in Mosul "has resulted in a high number of

casualties among civilians,” the IOM added.

Known for its ruthless tactics and suicide bombers, ISIL is arguably the most capable force fighting President Bashar Assad inside Syria as well as the most powerful militant group in Iraq.

The takeover of Mosul prompted the United States to voice deep concern about the “extremely serious” situation and warn that ISIL poses “a threat to the entire region.”

UN chief Ban Ki-moon’s spokesman said he was “gravely concerned by the serious deteriorating of the security situation in Mosul.”

ISIL is led by the shadowy Abu Bakr al-Baghdadi and backed by thousands of Islamist fighters in Syria and Iraq, many of them **Westerners**, and it appears to be surpassing al-Qaeda as the world’s most [dangerous Wahhabi militant group](#).

Wahhabism...from “Surrendering Islam”

“These Masonic leaders seemed, then, to have embarked on a plan to subvert Islam from within, and to distort the Islamic world and render it predisposed to a confrontation with the West. Key to this strategy was the creation of the Salafi movement, which was an outgrowth of the emergence of the Egyptian Freemasonry of Cagliostro, which today is closely aligned to the Wahhabis of Saudi Arabia.

According to their devious strategy of “divide and conquer”, the British deliberately created the Wahhabi movement in order

to upset the Ottoman Empire. At the height of its power, between the sixteenth and seventh century, the Ottoman Empire spanned three continents, controlling much of Southeastern Europe, the Middle East and North Africa. It stretched from the Strait of Gibraltar in the west to the Caspian Sea and Persian Gulf in the east, and from the edge of Austria, Hungary and parts of Ukraine in the north to Sudan, Eritrea, Somalia and Yemen in the south.

However, at the same time, the British were beginning to encroach upon former Muslim territories, in particular, making significant inroads into India. Nevertheless, they continued to have designs on the various parts of the Ottoman Empire, and worked to aid in its collapse by fomenting rebellion from within. The brunt of their strategy was focused on the creation of the Wahhabi sect of Saudi Arabia." <http://surrenderingislam.com/surrendering-islam/wahhabism>

Money is the God of our Time & Rothschild is the Prophet

From "The Transfer Agreement" to "Balfour Declaration" everything was based on letter Gen. Albert Pike wrote to Giuseppe Mazzini Aug. 15 1871. This letter remained on display at British Museum Library until Baron Rothschild became director. For some reason the letter disappeared.

Is this "the beginning of Jacob's Trouble?" Rothschild is one of the 13 Illuminati Bloodlines but few know the history of their involvement in the creation of the present state of Israel or the sinister motives in their worldwide empire. Follow "the trail of the serpent" known as the Tribe of Dan.

The Israel Supreme Court is the creation of one elite family: the Rothschilds. In their negotiations with Israel, they've agreed to donate the building under three conditions: the Rothschilds were to choose the plot of land, they would use their own architect and no one would ever know the price of its construction. The reasons for those conditions are quite evident: the Supreme Court building is a Temple of Masonic Mystery Religion and is built by the elite, for the elite.

Israel's Emblems – Then and Now

THE TRIBE OF DAN

Dan was the fifth son of Jacob and the firstborn of Bilhah (Rachel's maid). It can be reasoned from several sources that Dan adopted four, possibly five, tribal emblems.

<http://www.cai.org/files/theme-sheets/en/ni2/si2010au.pdf>

JUDGES 17-21 DAN'S OTHER TERRITORY; BATTLE WITH BENJAMITES

"Then, the five men return to their land and muster up a force of 600 men to invade that territory. On their way north, they visit Micah and entice the Levite to become their priest. They also steal the costly idols in the shrine. They then conquer this Canaanite bastion and bring many of their Danite relatives to settle down. From now on the tribe of Dan would be situated in two places. As was characteristic of the tribe of Dan, they changed the name of the place to Dan—and it is no coincidence.

We read in Mr. Herbert Armstrong's *The United States and Britain in Prophecy*, "In Genesis 49:17, Jacob, foretelling what should befall each of the tribes, says: 'Dan shall be a serpent by the way.' [J.P. Green's *Literal Translation of the Bible*] says the original Hebrew is: 'Dan shall be a serpent's trail.' It is a significant fact that the tribe of Dan, one of the Ten Tribes, named every place they went after their father Dan.

"The tribe of Dan originally occupied a strip of coast country on the Mediterranean, west of Jerusalem. 'And the coast of the children of Dan,' we read in Joshua 19:47, 'went out too little for them: therefore the children of Dan went up to fight against Leshem, and took it...and called Leshem, Dan, after the name of Dan their father. "In Judges 18:11-12, it is recorded that Danites took Kirjath-jearim, and 'called that place Mananeh-Dan unto this day.' A little later the same company of 600 armed Danites came to Laish, captured it, and 'they called the name of the city Dan, after the name of Dan their father' (verse 29). So notice how these Danites left their 'serpent's trail' by the way—set up waymarks by which they may be traced today.

"In the Hebrew, vowels were not written...Thus the word 'Dan' in

its English equivalent could be spelled, simply, 'Dn.' It might be pronounced as 'Dan,' or 'Den,' or 'Din,' or 'Don,' or 'Dun'—and still could be the same original Hebrew name.

“The tribe of Dan occupied two different districts in the Holy Land before the Assyrian captivity. One colony lived on the seacoast of Palestine. They were principally seamen, and it is recorded Dan abode in ships (Judges 5:17). When Assyria captured Israel, these Danites struck out in their ships and sailed west through the Mediterranean and north to Ireland. Just before his death, Moses prophesied of Dan: ‘Dan is a lion’s whelp: he shall leap from Bashan’ (Deut. 33:22). Along the shores of the Mediterranean they left their trail in ‘Den,’ ‘Don,’ and ‘Din.’

“Irish annals and history show that the new settlers of Ireland, at just this time, were the ‘Tuatha de Danaans,’ which means, translated, ‘Tribe of Dan.’...And in Ireland we find they left these ‘waymarks’: *Dans-Laugh, Dan-Sower, Dundalk, Dun-gloe, Din-gle, Dunsmor* (meaning ‘more Dans’). Moreover, the name Dunn in the Irish language means the same as Dan in the Hebrew: judge.” <http://www.ucgoc.com/bs2/54Judges17.htm>

Globalists Create Wahhabi Terrorism To Destroy Islam

“Following the dictates of Hegelian dialectic, the Globalists have created two antagonizing forces, the “Liberal-Democratic” West, against Terrorism, or “political Islam”, to force us into the acceptance of their final alternative, a New World Order. The West and Islam have had a long era of compatibility, but this history has been denied to foster the myth of a “Clash of Civilizations”. In order to inflame the sentiments of the West against Islam, our attention has been focused on the specter of fanatical Wahhabism, and more specifically, its most notorious exponent, Osama bin Laden.”<http://rense.com/general56/globalistscreatwahhabi.htm>

House of Saud: British-programmed killer of Muslims

“The sedition by the Wahhabi minority regime ruling what is known as Saudi Arabia – a country created by the British for the Aal-e Saud tribe of the Najd – has split Muslim ranks and unleashed terrorism in the region.

Analysts point out that this is all part of the plot to tarnish the image of Islam and Muslims, since the Saudis are actually agents of the Americans, the British, and the Zionists. They have created terrorist outfits in Pakistan, Afghanistan, Egypt, Tunisia, Yemen, Iraq, Libya, and Palestine to undermine peace and stability in the interests of the West. Groups like al-Qa’eda, Taleban, Salafists, Sepah-e Sahaba, and Laskhar-e Jhangavi, etc, are all on the payroll of Riyadh. The catastrophic situation in Syria, where terrorists from various parts are killing people and destroying the country with the money provided by Saudi Arabia and the arms supplied by Israel and the West, are further proofs in this regard. In such a situation, it is crucial for policymakers of regional and world countries as well as citizens to face the ugly truth about the crucial actor in this program of planned chaos and mayhem in the region. It is Saudi Arabia, as a kept subsidiary of the British monarchy, which is spending billions and trillions of dollars internationally, in furtherance of its agenda of sectarian warfare and terrorism. The hate propaganda, the weapons, the bombs are bought and paid for by Saudi front groups and that nation’s own emissaries. As Lyndon LaRouche has emphasized, the Saudi monarchy has got to be held accountable. Recently, Indian-origina journalist Ramtanu Maitra has written a thought-provoking analysis that provides a solid profile, with some shocking particulars, of the British-Saudi terror operations of the last decades. Please stay with us for

excerpts." <http://english.irib.ir/index.php/programs/political/item/100946-house-of-saud-british-programmed-killer-of-muslims-1>

UPDATE Trading deserters for detainees? The "official story" and the truth are not congruent...

UPDATE: AP Cpl. Wassef Ali Hassoun, 34, turned himself in and was being flown Sunday from an undisclosed location in the Middle East to Norfolk, Va. He is to be moved Monday to Camp Lejeune in North Carolina, according to a spokesman, Capt. Eric Flanagan. <http://news.yahoo.com/marine-disappeared-iraq-2004-back->

[us-200407495-politics.html](#)

Despite his fifteen minutes of fame on Al-Jazeera and his “good-guy Muslim” appearance as propaganda fodder for the American media, Marine Cpl. Wassef Ali Hassoun was revealed to be nothing more than a common military deserter – although a flamboyant one – still a lying, traitorous deserter.

The corporal’s hearing on the Iraq desertion charge was delayed until Jan. 13 to allow Hassoun to hire a civilian lawyer to assist his military attorneys. After taking a holiday leave, Hassoun was required to return to Camp Lejeune by noon Tuesday, but did not report for duty.

Hassoun’s command -the 4th Marine Expeditionary Brigade – officially declared him a deserter and issued authorization for civil authorities to apprehend Hassoun and return him to military control. Today it was revealed that Marine Cpl. Wassef Ali Hassoun, using techniques learned from watching old MacGiver reruns, has successfully escaped the U.S. and is believed to be hanging out with his old Muslim pals once again in Lebanon.

ha-ha-ha-ha-ha-ha, Allah be praised!!!

I was his team leader, the truth? yes, he was seditious, a malingerer, and a coward...a traitor? that may be stretching it; nevertheless, he will live his remaining days without honor. There are so many details regarding this case that have been left unknown to the public...not because they were necessarily classified, but because NCIS dropped the ball. I’ll give you one piece...the day before he “disappeared”...Hassoun cashed a max allowance of \$500 dollars at base disbursing. In case you don’t understand the significance of that, nobody ever max cashed a check because there was nothing to spend your money on, you didn’t need to have that kind of cash on you...and we were scheduled to go back to Mahmudiyah within that week. Once

at Mahmudiyah, his chances of jumping the wall would have diminished greatly. Just saying. http://psychedelictourist.blogspot.com/2005/02/strange-case-of-marine-cpl-wassef-ali_20.html

'The Deserter': Story of U.S Marine Who Faked Kidnapping to Become Hollywood TV Movie

“United States [Marine Corps](#) Corporal Wassef Ali Hassoun hit headlines in 2004 when he was charged with desertion for leaving his unit, after allegedly working with others to **construe a hoax to make it appear as though he had been kidnapped by terrorists on June 20, 2004 while serving in Camp Fallujah, Iraq.**

A few days after Hassoun's disappearance, a photo of him, blindfolded and with a sword brandished behind his head, appeared on the Arabic news network Al-Jazeera, along with a message that he was being held captive and on the verge of being decapitated by a group called the National Islamic Resistance unless detainees in “U.S.-led occupation prisons” were released.

However, the following month the Marine emerged unscathed at the U.S. Embassy in Beirut, Lebanon, prompting a five-month military investigation into his “disappearance” which resulted in criminal charges for of desertion, loss of government property, and theft of a military firearm. At the time, Hassoun emphatically denied that he deserted his post.

Hassoun was again charged with desertion in 2005 after failing to return to his base in North Carolina after authorized leave. **Now Hassoun's tale is headed for [Hollywood](#). Los Angeles-based image consultant Michael Sands, who served as a**

representative for Hassoun's family in 2005 while also working as media liaison for [the Pentagon](#) and Marine Corps Public Affairs, has written the television movie script "The Deserter" with retired [FBI](#) agent and author, Bob Hamer.

"Hollywood is not seeing a realistic picture of heroic marines and military in most films, so the time has come to tell the story of these people and the sacrifices they make," Sands told FOX411's Pop Tarts. "Wassef wanted to leave the military but he didn't do it in an appropriate, truthful way. I think this is an important story to be told."

In 2005, Sands negotiated book and movie deals on Hassoun's behalf in an effort to clear his name, however those deals fell through.

Attempts to reach Hassoun were unsuccessful, and his brother Muhammad did not respond for comment.

It is believed Hassoun resides in Lebanon, returning to his birth country amid the criminal charges were filed against him, and he has yet to appear in a military court and face these charges. Hassoun's file remains open, however in keeping with but in keeping with Corps policy for deserters, the military would only attempt to pick him up and return him to base if competent civilian authorities were to arrest him.

"Perhaps over time the family may want to clear their name and will continue to offer more information," said the film's theatrical agent, [Jeff Fisher](#). "The Hassoun family gives a little information as they go, but if they can get Wassef to come forward – that's gold. We hope the family will want their story told and maybe then Wassef will come out of hiding."

And unlike a lot of what is churned out of Hollywood, co-writer Hamer said it will be absolute priority that military life is portrayed as realistically as possible.

"I understand the military judicial system. I understand the

reports. I understand the lingo, I understand the brotherhood. I can give a realistic vision. Most importantly, I was also a Marine, and the truth is the audience wants to see heroes. I don't think we see enough real heroes," Hamer said. "I think (most Americans will be shocked to see) the rollercoaster ride of a Marine who is initially thought to have been a deserter, then a hero, then a deserter." In addition, Sands and Hamer intend to spin the made-for-television movie off into a television series."

<http://www.foxnews.com/entertainment/2011/02/11/deserter-story-marine-faked-kidnapping-hollywood-tv-movie/>

What Happened to Marine Deserter Wassef Ali Hassoun?

"Ten years ago this month, U.S. Marine Wassef Ali Hassoun disappeared from Camp Fallujah in Iraq. After a five-month military investigation, he was charged with desertion and theft, brought back to Virginia's Quantico Marine base and then transferred to North Carolina's Camp Lejeune for trial.

Yet, a full decade later, Hassoun is as free as a bird.

The accused deserter's whereabouts are unknown. No trial ever began. No punishment ensued. And our leaders in Washington don't seem to be doing a thing about this."

<http://www.libertynews.com/2014/06/what-happened-to-marine-deserter-wassef-ali-hassoun/>

What is a Kaafir? Ask Bowe Bergdahl

(iv) The kaafir when he becomes a Muslim, because of the report narrated by Abu Dawood (356) which says that the Prophet (peace and blessings of Allaah be upon him) commanded

a kaafir man who had become Muslim, “Shave off the hair of kufr and get circumcised.” (Classed as hasan by al-Albaani in Saheeh Abi Dawood; see also al-Mughni, 1/276; Sharh al-‘Umdah by Shaykh al-Islam, 1/350) <http://islamqa.info/en/14051>

BLOWBACK: Haqqani Network Trained By The C.I.A., Now The Number One Threat To U.S. Forces, just like Al-Qaeda (aka Mujahadeen).

Haqqani Network, like the Mujahadeen (which later changed its name to Al-Qaeda), was supported financially and militarily by the U.S., starting under President Jimmy Carter. Guided by National Security Adviser Zbigniew Brzezinski, who holds the same position 3 decades later under Barack Obama, the Carter Doctrine provided U.S financial aid and the best military training to these Muslim jihadists who were our “friends” in order to “defeat” the Soviet Union. Now the Haqqani and Al-Qaeda are regarded as our “enemies” even though the U.S. is STILL giving financial aid via military contracts in Afghanistan which are then funneled through to the Haqqani Network through their construction businesses. It gets even worse. Not only did the SIGAR Inspector General John Sipko call for this to stop immediately, he was VETOED by the Pentagon. The links to explain all of this treasonous activity are found below. To sum it up, the US has been and still is,

in bed with the HAQQANI NETWORK, Al-QAEDA, TALIBAN, etc, using financial aid indirectly to known Haqqani Network businesses, despite proof that the Haqqani was involved in scores of green on blue attacks on U.S. and allied forces troops that resulted in American military deaths. WE are slapping them with one hand and handing them candy with the other...Albert Pike, author of "Morals and Dogma" wrote a letter in 1871 that outlined 3 World Wars. Read it and then perhaps you can see that all of the wars in the past few centuries were no accident but rather a strategic plan for the elite's ultimate goal of NWO. Out of chaos...comes order

BLOWBACK: Haqqani Network Trained By The C.I.A., Now The Number One Threat To U.S. Forces

An in-depth report by CNN no less...
<https://www.youtube.com/watch?v=U8cemez8HzM>

Afghan businessman accused of channeling aid money to insurgency

(Reuters) – "U.S. inspectors are on the trail of a successful Afghan businessman they believe has channeled millions of dollars in aid to the al Qaeda-linked Haqqani network, one of the deadliest insurgent groups in Afghanistan, but still has donor-funded reconstruction contracts around the country.

The investigation, detailed in a trove of documents obtained

by Reuters, comes at a crucial time for Afghanistan and its foreign allies, who have poured billions of dollars into leaving behind a stable, viable state when most NATO-led combat troops pull out next year.

Development aid to Afghanistan – approaching \$100 billion after 12 years of war – and the contractors who receive it are being scrutinized by the U.S. Special Inspector General for Afghan Reconstruction (SIGAR), with one case in particular involving businessman Haji Khalil Zadran linked to the Haqqanis.

“It makes absolutely no sense that individuals and entities designated as supporting the insurgency could receive U.S. contracts,” John Sopko, the chief of the U.S. watchdog agency, told Reuters.

“If they get a contract not only do they get U.S. taxpayer money, but they could gain access to U.S. personnel and facilities, putting our troops at risk,” he said.

Zadran rejects the allegations, saying it is simply a case of mistaken identity.

SIGAR believes Zadran’s case is one of dozens that show a sinister side to the story of how endemic corruption, a charge often leveled at President Hamid Karzai’s government, has undermined efforts to stabilize Afghanistan.

Zadran left school to drive trucks and went on to build an empire that has won more than \$125 million in donor-funded construction projects.

His fortune should reflect the potential for success in post-war Afghanistan. Instead, the SIGAR investigation paints a picture of how aid has been siphoned off to maintain a web of corruption, violence and failure.”

AFGHANISTAN: U.S soldiers are being slaughtered by Islamic terror groups backed by U.S. money

The United States has paid more than \$150 million to companies in Afghanistan that are accused of helping to finance terrorist attacks on American soldiers and facilities, according to the Special Inspector General for Afghanistan Reconstruction.

ABC News (h/t bonampak) "It's like the United States government subsidizing the Taliban, al Qaeda, the Haqqani network, those groups that are trying to shoot and kill our soldiers," said Sen. Jeanne Shaheen, D-N.H., a member of the Senate's

Armed Services and Foreign Relations committees, in an interview to be broadcast tonight on ABC News' "World News with Diane Sawyer."

<http://www.barenakedislam.com/2013/11/12/afghanistan-u-s-soldiers-are-being-slaughtered-by-islamic-terror-groups-backed-by-u-s-money/>

Senator: US Soldiers Being Killed by Terror Groups Backed With US Money

"

The United States has paid more than \$150 million to companies in Afghanistan that are accused of helping to finance terrorist attacks on American soldiers and facilities, according to the Special Inspector General for Afghanistan Reconstruction.

"It's like the United States government subsidizing the Taliban, al Qaeda, the Haqqani network, those groups that are trying to shoot and kill our soldiers," said Sen. Jeanne Shaheen, D-N.H., a member of the Senate's Armed Services and Foreign Relations committees, in an interview to be broadcast tonight on ABC News' "World News with Diane Sawyer".

A list of 43 companies in Afghanistan was compiled by the Special Inspector General for Afghanistan Reconstruction (SIGAR) using data from both classified Pentagon investigative reports and Commerce Department lists of terror-connected companies.

[*RELATED Exclusive: US May Have Let 'Dozens' of Terrorists Into Country as Refugees*](#)

Among them is a road construction company the U.S. says is partly owned by a leader of the [brutal Haqqani network](#), which was blamed for an attack on the U.S. Embassy in Kabul that claimed 16 lives in 2011.

The cover letter of a classified investigation by the U.S. Army said there was evidence of a direct role of both the company and its owners “in the facilitation and operation of the Haqqani Network” and that “approximately \$1-2 million per month flow[s] to Haqqani Network to finance its activities.”

A representative of the company said it denies any ties to terrorists and is contesting its inclusion on the U.S. government lists. The representative suggested it might be a case of mistaken identity.

But despite the broader findings, the Pentagon has resisted permanently blocking the companies from getting more U.S. contracts because, its lawyers say, it would violate the “due process” of the companies which would not be able to see the classified information that details their alleged ties to terror groups.

“The reason they’ve given us is that it’s not fair to these contractors that the evidence that we’ve presented, and this is evidence collected by the United States government, is classified,” John Sopko, Special Inspector General for Afghanistan Reconstruction (SIGAR), told ABC News. “That’s the absurdity of it. We can probably attack them via drone on Monday and we’ll issue them a contract on Tuesday.”

Sopko, along with U.S. commanders in the field and members of Congress have all urged the Pentagon to take action, but to no avail.

Sen. Shaheen was one of a bipartisan group of Senators that sent a letter to the Army in late 2012 “expressing concern” about a backlog at the Army’s Suspension and Debarment office, noting the 43 cases involving alleged terrorist groups.

"We believe that these 43 cases deserve special attention from the Army due to the nature of their allegations," the letter said, according to a copy posted on the [website for Sen. Richard Blumenthal](#), D-Conn.

The Pentagon had arranged for ABC News to interview Lt. Gen. William Phillips of Army acquisition about the concerns, but later canceled, his staff saying "they will be declining an interview for some time in the foreseeable future."

When ABC News appeared at the Pentagon office that handles the debarment of contracts, the officer in charge said he was not allowed to answer questions without permission.

"Well, there are certain regulations that have to be followed, due process regulations," he began, presumably referring to the contract debarment process. "That gets into things that I cannot discuss. In fact, I'm not allowed to talk to you unless I have the permission of the Army so I'll have to end this interview at this time."

In a statement to ABC News, the Army said it has "extensive vendor vetting procedures to prevent the awarding of contracts to such vendors." It said most of the 43 companies were not awarded any new contracts "as a result of measures currently in place."

"The army takes seriously any allegations of improper contractor activities and has vigorous processes to ensure that those with whom we do business are not supporting the insurgency or otherwise opposing U.S. and coalition forces in Afghanistan" the statement said.

Inspector General Sopko says the Army needs to permanently block the companies from receiving any more U.S. taxpayer money, given the seriousness of the information.

“I am a former prosecutor, I’ve seen the information and it made my hair stand on end,” Sopko told ABC News.

In a quarterly report to Congress last July Sopko wrote, “I am deeply troubled that the U.S. military can pursue, attack, and even kill terrorists and their supporters, but that some in the U.S. government believe we cannot prevent these same people from receiving a government contract.”

“I feel such a position is not only legally wrong, it is contrary to good public policy and contrary to our national security goals in Afghanistan,” he said.”<http://abcnews.go.com/Blotter/senator-us-soldiers-killed-terror-groups-backed-us/story?id=20660114&singlePage=true>

U.S. Army won't bar contractors linked to Afghan insurgents says watchdog SIGAR

”

The U.S. Army has refused to bar 43 individuals or companies from getting U.S. contracts in Afghanistan despite information that they support the Taliban or other enemies of U.S. forces, a government watchdog said on Tuesday.

John Sopko, the Special Inspector General for Afghan Reconstruction (SIGAR), said he was concerned by the Army’s refusal to follow his office’s recommendations to prevent alleged supporters of the Taliban, the Haqqani network and al Qaeda from getting or keeping U.S. government contracts.

“I am deeply troubled that the U.S. military can pursue, attack and even kill terrorists and their supporters, but that

some in the U.S. government believe we cannot prevent these same people from receiving a government contract,” Sopko wrote in an introduction to his office’s quarterly report on the U.S. reconstruction effort in Afghanistan.

The Haqqani Network is an Islamist insurgent group that operates on both sides of the Afghanistan-Pakistan border.”

Now he is Obama’s National Security Adviser... continuing what he started under Jimmy Carter

<https://www.youtube.com/watch?v=0JTv2nFjMBk>

How Jimmy Carter and I Started the Mujahideen

”

Interview with Zbigniew Brzezinski

This is a SHORT interview with Zbigniew Brzezinski, Jimmy Carter's National Security Advisor, in a French newspaper in 1998. Under Brzezinski and Carter, the US supported the covert funding of the Mujahideen, the Taliban's Precedessor, and also, to a lesser degree, Osama bin Laden.

A Shocking revelation:

1 . Brzezinski now admits that the US started funding the Mujahideen a full six months before the Soviets invaded Afghanistan (the previous justification for funding the Mujahideen was that it was to stop the Soviets AFTER they had invaded Afghanistan);

2. The explicit purpose of funding the Mujahideen was to draw the Soviets into Afghanistan so that they would get bogged down in a long, un-winnable war – “their Vietnam”;

3. Brzezinski believes that funding the Mujahideen– even at the price of unleashing Islamic fundamentalism (“some stirred-up Muslims”) as a force throughout the Middle East and Central Asia – was well worth the price of defeating the Soviet Union. Of course, he said all this a full three years before the World Trade Center attack.”

A glance at the Pakistan-based Haqqani network

<http://bigstory.ap.org/article/glance-pakistan-based-haqqani-network>

Jalaluddin Haqqani, Once CIA's 'Blue-Eyed Boy,' Now Top Scourge For U.S. In Afghanistan

"The U.S.'s new public enemy No. 1 in Afghanistan is one of its own making.

Ten years into the occupation of Afghanistan, American officials describe the [militia led by Jalaluddin Haqqani](#) as the country's deadliest insurgent group, responsible for a slew of particularly bold attacks, including the [day-long assault](#) three weeks ago on the U.S. embassy in Kabul.

But Haqqani's rise to power can be traced directly back to the secret, multi-billion-dollar U.S. campaign to create a radicalized and well-equipped army of Islamic jihadists – known as the mujahideen – to lead a war against the Soviet Union in Afghanistan in the 1980s.

Back then, when a top U.S. foreign policy goal was to bog the invading Soviets down in Afghanistan, the ferocious Haqqani was one of the CIA's favorite commanders, showered with money and shoulder-fired missiles and other weapons – and sent out to repel the foreign occupiers.

“We facilitated his rise – we and the Saudis and Pakistani intelligence,” said Steve Coll, author of [“Ghost Wars: The Secret History of the CIA, Afghanistan and Bin Laden, From the Soviet Invasion to September 10, 2001.”](#)

“In Afghanistan, what goes around comes around is sort of the lesson of the last 30 years,” he said.

Haqqani was admired for being particularly tough and ruthless. “There was a bit of a racist attitude about the Afghans” among the Saudi, Pakistani and U.S. intelligence services, Coll said. Haqqani “was everybody’s idea of the noble savage.”

Hillary Clinton blamed in USAID memos outlining chaos in Afghanistan aid

Despite waiver, reviews find U.S. money at risk

In internal government documents with potential repercussions for the 2016 presidential election, top officials at the [U.S. Agency for International Development](#) repeatedly cited former

Secretary of State [Hillary Rodham Clinton](#) for setting into motion a policy to waive restrictions on who could receive U.S. aid in [Afghanistan](#), resulting in millions of dollars in U.S. funds going directly into the coffers of Afghan ministries known to be rife with corruption.

References to [Mrs. Clinton](#)'s role in the policy first appeared in a November 2012 [USAID](#) action memo, which outlined how U.S. officials made a "strategic foreign-assistance decision" two years earlier to provide "at least 50 percent of U.S. Government assistance directly to the" [Afghan government](#).

The decision was "reaffirmed by Secretary of State [Clinton](#)" in July 2010, according to the memo, which highlighted her actions as justification for why [USAID](#) should waive an internal policy that otherwise would have required the [agency](#) to first assess the risk that such "direct assistance" might be lost to fraud, waste or outright theft."

Special Inspector General 'Deeply Disturbed' Army Won't Suspend Contracts With Companies Suspected of Supporting Terrorism

"The Special Inspector General for Afghan Reconstruction (SIGAR) said in his recent [quarterly report to Congress](#) that he is "deeply disturbed" that the United States Army has chosen not to suspend its contracts with 43 companies suspected of supporting terrorism in order to protect their

“due process rights.”

“I am deeply troubled that the U.S. military can pursue, attack, and even kill terrorists and their supporters, but that some in the U.S. government believe we cannot prevent these same people from receiving a government contract,” John F. Sopko, [an Obama appointee](#), wrote.

Read the complete passage below:

*In conclusion, I would also like to reiterate the concerns I raised in our last report about the Army’s refusal to act on SIGAR’s recommendations to prevent **supporters of the insurgency, including supporters of the Taliban, the Haqqani network, and al-Qaeda, from receiving government contracts.** SIGAR referred 43 such cases to the Army recommending suspension and debarment, based on detailed supporting information demonstrating that these individuals and companies are providing material support to the insurgency in Afghanistan. But **the Army rejected all 43 cases.** The Army Suspension and Debarment Office appears to believe that suspension or debarment of these individuals and companies would be a **violation of their due process rights** if based on classified information or if based on findings by the Department of Commerce.*

*I am deeply troubled that the U.S. military can pursue, attack, and even kill terrorists and their supporters, but that some in the U.S. government believe we cannot prevent these same people from receiving a government contract. I feel such a position is not only **legally wrong, it is contrary to good public policy** and contrary to our national security goals in Afghanistan. I continue to urge you to change this faulty policy and enforce the rule of common sense in the Army’s suspension and debarment program.
[Emphasis added]*

According to [Reuters](#), SIGAR didn’t name the companies in

question, but said that more than \$150 million is “involved.”

A U.S. Army spokesperson has commented: “The Army Procurement Fraud Branch did receive and review the 43 recommendations late last year, but the report did not include enough supporting evidence to initiate suspension and debarment under Federal Acquisition Regulations.”

<http://www.theblaze.com/stories/2013/08/05/special-inspector-general-deeply-disturbed-army-wont-suspend-contracts-with-companies-suspected-of-supporting-terrorism/#>

Haqqani network is a terrorist body, announces Hillary Clinton

Afghan rebels allied to Taliban branded biggest threat to US-Nato forces and put under sanctions (SEPT 7, 2012)

“The Obama administration on Friday declared the insurgent Haqqani network a terrorist body, a move that could undermine Afghan peace efforts and test fragile relations between the US and [Pakistan](#).”

The secretary of state, Hillary Rodham Clinton, said she had notified Congress of her decision. The notification will ban Americans from doing any business with members of the Pakistan-based militant group and blocks any assets it holds in the US.

In a statement she said: “We also continue our robust campaign of diplomatic, military, and intelligence pressure on the network, demonstrating the US’ resolve to degrade the organisation’s ability to execute violent attacks.”

Enraged by a string of high-profile attacks on American and

Nato troops, Congress gave Clinton a Sunday deadline to deliver a report on whether the Haqqanis should be designated and all of the group's members subjected to US financial sanctions.

Clinton's decision comes amid numerous disagreements in the administration about the wisdom of the designation." <http://www.theguardian.com/world/2012/sep/07/haqqani-network-terrorist-hillary-clinton>

**“Pawns in the Game: A Satanic
conspiracy to control the**

world"

BY WILLIAM GUY CARR

"First printed in 1954, "Pawns in the Game" is the best single work available on the evil conspiracy that has been responsible for the devastating wars and continuing conflicts of the past century, and which is now close to its ultimate goal of total world domination through a dictatorial One World Government.

Pawns in the Game is written by William Guy Carr (1895-1959), a noted author who had a distinguished career as a Canadian naval officer, including outstanding service during World War II. The book begins as follows:...

In 1834 the Italian revolutionary leader Gussepi Mazzini (see picture) was selected by the Illuminati to be director of their revolutionary programme throughout the world. He held this post until he died in 1872.

In 1840, General Albert Pike was brought under the influence of Mazzini because he became a disgruntled officer when U.S. President Jefferson Davis disbanded his auxiliary Indian troops on the grounds they had committed atrocities under the cloak of legitimate warfare. Pike accepted the idea of a one world government and ultimately became head of the Luciferian Priesthood. Between 1859, and 1871, he worked out the details of a military blue-print, for three world wars, and three major revolutions which he considered would further the conspiracy to its final stage during the twentieth century.

The plan for three world wars

Most of his work was done in the 13 room mansion, he built in Little Rock, Arkansas, in 1840. When the Illuminati, and the lodges of the Grand Orient, became suspect, because of Mazzini's revolutionary activities in Europe, Pike organized the New and Reformed Palladian Rite. He established three supreme councils; one in Charleston, S.C., another in Rome,

Italy and another in Berlin, Germany. He had Mazzini establish twenty three subordinate councils in strategic locations throughout the world. These have been the secret headquarters of the world revolutionary movement ever since. Long before Marconi invented wireless (radio), the scientists who were of the Illuminati had made it possible for Pike and the Heads of his councils to communicate secretly. It was the discovery of this secret that enabled intelligence officers to understand how apparently unrelated 'incidents' took place simultaneously throughout the world which aggravated a situation and developed into a war or revolution.

Albert Pike

Pike's plan was as simple as it has proved effective. He required that Communism, Naziism, Political Zionism, and other International movements be organized and used to foment the three global wars and three major revolutions. The first world war was to be fought so as to enable the Illuminati to overthrow the powers of the Tzars in Russia and turn that country into the stronghold of Atheistic-Communism. The differences stirred up by agentur of the Illuminati between the British and German Empires were to be used to foment this war. After the war ended, Communism was to be built up and used to destroy other governments and weaken religions.

World War Two was to be fomented by using the differences between Fascists and Political Zionists. This war was to be fought so that Naziism would be destroyed and the power of Political Zionism increased so that the sovereign state of

Israel could be established in Palestine. During world war two International Communism was to be built up until it equalled in strength that of united Christendom. At this point it was to be contained and kept in check until required for the final social cataclysm. Can any informed person deny Roosevelt and Churchill did not put this policy into effect ?

World War Three is to be fomented by using the differences the agentur of the Illuminati stir up between Political Zionists and the leaders of the Moslem world. The war is to be directed in such a manner that Islam (the Arab World including Mohammedanism) and Political Zionism (including the State of Israel) will destroy themselves while at the same time the remaining nations, once more divided against each other on this issue, will be forced to fight themselves into a state of complete exhaustion physically, mentally, spiritually and economically. Can any unbiased and reasoning person deny that the intrigue now going on in the Near, Middle, and Far East isn't designed to accomplish this devilish purpose?

On August 15, 1871, Pike told Mazzini that after World War Three is ended, those who aspire to undisputed world domination will provoke the greatest social cataclysm the world has ever known. We quote his own written words (taken from the letter catalogued in the British Museum Library, London, England):

"We shall unleash the Nihilists and Atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will be from that moment without compass (direction), anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer brought finally

out in the public view, a manifestation which will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time.”

When Mazzini died in 1872, Pike made another Italian revolutionary leader, named Adriano Lemmi, his successor. Lemmi was later succeeded by Lenin and Trotsky. The revolutionary activities of all these men were financed by British, French, German, and American international bankers. The reader must remember that the International Bankers of today, like the Money-Changers of Christ’s day, are only tools or agents of the Illuminati.”

“On War” by General Carl von Clausewitz

Prussian military theorist Carl von Clausewitz (1780-1831) book [*On War*](#) (published posthumously in Prussia as [*Vom Kriege*](#) in 1832), was adopted as a key text at the Naval War College in 1976, the Air War College in 1978, and the Army War College in 1981. It has always been central at the U.S. Army’s School for Advanced Military Studies at Leavenworth (founded in 1983). The U.S. Marine Corps’s field manual [*FMFM 1: Warfighting*](#) (1989) was “essentially a distillation of *On War* (with a heavy maneuverist flavoring from Sun Tzu)”and the more recent Marine Corps Doctrinal Publications (MCDPs, c.1997) equally reflect many of Clausewitz’s basic concepts.

SGT. BERGDAHL RELEASE ARRANGED BY CIA TERROR GROUP

Look at the pictures and video in here. "

Crucial component omitted as war on manufactured terror gets fresh influx

Missed in the growing storm over the Sgt. Bergdahl prisoner swap is the fact the terror group that arranged the trade was closely aligned with the CIA.

The Haqqani network is a product of a collaboration between the CIA and Pakistan's ISI. Pakistan Army General Ashfaq Kayan referred to Haqqani as "a strategic asset." Collaborative efforts between the two intelligence agencies resulted in the creation of the Taliban and al-Qaeda.

The establishment media is characterizing the Haqqani Group as one of the most dangerous and vicious terrorist groups in the world. Omitted from coverage is the fact Afghan mujahideen leader Mawlawi Jalaluddin Haqqani was a direct asset of the CIA in 1986 as the agency waged a covert war against the Soviet Union in Afghanistan.

Unlike other mujahideen leaders who dealt with Pakistani intelligence, Haqqani worked directly with the CIA. He was an important intermediary in control of territory where Osama bin Laden would command Afghan Arabs and other radical Islamists recruited by the CIA to fight a proxy war against the Soviets. Bin Laden called Haqqani a "hero" and "one of the foremost leaders of the jihad against the Soviets."

"Haqqani traveled frequently to Peshawar to meet with a Pakistani and, separately, with an American intelligence officer, and to pick up supplies," writes author Steve Coll. So important was the work of Haqqani in Afghanistan, he allegedly visited the White House and met with then president Ronald Reagan who had inherited the covert war in Afghanistan from the Carter Administration and the war's primary architect, national security advisor Zbigniew Brzezinski. Haqqani would later join the Taliban, another important CIA asset, and work as a government minister with the group ruling Afghanistan with an iron fist and sharia law.

National Security Advisor Susan Rice: "United States doesn't leave a man or woman on the battlefield."

Like the Haqqani Group, the Taliban was a Frankenstein monster created by U.S. and Pakistani intelligence. Its strategic creation was "actively encouraged by the ISI and the CIA," according to Selig Harrison, an expert on U.S. relations with Asia. "The Taliban are not just recruits from madrassas' (Muslim theological schools) but are on the payroll of the ISI."

"There was always a question about whether Haqqani was really Taliban, because he hadn't come out of Kandahar," Coll told PBS in 2006, "he wasn't part of the core group. And it was quite reasonable to believe after 9/11 that maybe he could be flipped.... [US officials] summoned him to Pakistan, and they had a series of meetings with him, the content of which is unknown."

The elder Haqqani and his sons would later play an important role in extending and amplifying the engineered war on terror. "Today [Haqqani] has turned his expertise on American and NATO forces," The New York Times reported on June 17, 2008. "From his base in northwestern Pakistan, the aging Maulavi Haqqani has maintained a decades-old association with Osama bin Laden and other Arabs. Together with his son, Sirajuddin Haqqani, 34, he and these allies now share a common mission to again drive foreign forces from Afghanistan."

The Sgt. Bergdahl trade will allow the neocons and their ideological allies to ramp up the flagging war on manufactured terror and claim the moral high ground.

"We do not negotiate with terrorists because in their willful targeting of the weak they embody evil, and because when you give in to evil, evil grows," writes Dr. Sebastian Gorka, a military affairs fellow at the Foundation for the Defense of Democracies, a prominent neocon think tank linked to the American Enterprise Institute and the Hudson Institute.

In fact, as the hidden origins of international terrorism reveal, the United States not only negotiates with terrorists, it has created most terror groups. Once again, the establishment's propaganda apparatus, the CIA's Mighty Wurlitzer, is in the process of refurbishing the casus belli that has extended the war on terror for more than a decade and will continue to do so provided the historical ignorance and political acquiescence of the American people." <http://tomfernandez28.com/2014/06/02/sgt-bergdahl-release-arranged-by-cia-terror-group/>

John Brennan – The CIA -Zbigniew Brzezinski – Columbia University

and Obama

Guess where the Haqqani Network, which held Bowe Bergdahl for 5 years as captive, is based? Pakistan. NOTE that Obama's college roommate was from Pakistan and O's passport revealed he traveled to Pakistan while he was a college student and when the U.S. BANNED TRAVEL TO PAKISTAN. Why did he go there then???

REPORT: The CIA Has Been Secretly Training Syrian Rebels For Months

2013 "The CIA and US special operations forces have been training Syrian rebels for months, since long before President Barack Obama announced plans to arm the opposition, the Los Angeles Times reported Friday.

Training for rebel forces covers the use of anti-tank and anti-aircraft weapons and has been carried out at bases in Jordan and Turkey since late last year, the newspaper reported, citing unnamed US officials and rebel commanders.

The two-week courses, for about 20 to 45 fighters at a time, began last November at a new US base in the desert in southwest Jordan, it said.

The report came days after the Obama administration announced it had approved the arming of Syrian rebels, though analysts said the United States likely would avoid providing sophisticated guided anti-tank or anti-aircraft weapons.

The Central Intelligence Agency typically leads covert training and arming of fighters in foreign conflicts, while military special operations forces can be assigned to covert missions overseen by the spy agency."

Admiral Lyons: The Islamic cloud over Brennan and Hagel

“One explosive issue is a report by John Guandolo that broke last week on Tom Trento’s “TrentoVision Show” and also was carried by Glenn Beck on Feb. 11. The report stated that [Mr. Brennan](#) was converted to Islam while [CIA](#) station chief in Saudi Arabia from 1996 to ‘99. Let’s be clear: In America, a man’s religion can never be a condition to his holding a government position. It is protected by both the First Amendment and Article 6 of the Constitution. Therefore, even if it is true that he converted, [Mr. Brennan](#)’s religion should not be an issue.

However, according to Mr. Guandolo – a former SWAT team leader at the FBI, counterterrorism and [Muslim Brotherhood](#) specialist and Marine platoon commander – what should be an issue was the Saudis’ targeted recruitment of [Mr. Brennan](#) to the ideology of Islam while he was serving as the [CIA](#) station chief in Riyadh. This was not just a conversion but a political act by a foreign intelligence service.”

Memo Outlines Obama's Plan To Use Military Against Americans

"Can you imagine the 24/7 outrage that would have ensued among Democrats and the media if the Bush administration had drawn up plans like this? Now all we get is silence from those two groups...

Via [The Washington Times](#):

A 2010 [Pentagon](#) directive on military support to civilian authorities details what critics say is a troubling policy that envisions the [Obama administration's](#) potential use of military force against Americans.

The directive contains noncontroversial provisions on support to civilian fire and emergency services, special events and the domestic use of the Army Corps of Engineers.

The troubling aspect of the directive outlines presidential authority for the use of military arms and forces, including unarmed drones, in operations against domestic unrest.

"This appears to be the latest step in the [administration's](#) decision to use force within the United States against its citizens," said a defense official opposed to the directive.

Obama vs U.S. Military: demoralize, destabilize, destroy

OPERATION VIGILANT EAGLE:

IS This Really How We Honor Our Nation's Veterans?

"Making matters worse, thanks to Operation Vigilant Eagle, a program launched by the Department of Homeland Security in 2009, military veterans returning from Iraq and Afghanistan are also being characterized as extremists and potential domestic terrorist threats because they may be "disgruntled, disillusioned or suffering from the psychological effects of war." As a result, these servicemen and women—many of whom are decorated—are finding themselves under surveillance, threatened with incarceration or involuntary commitment, or arrested, all for daring to voice their concerns about the alarming state of our union and the erosion of our freedoms.

An important point to consider, however, is that the government is not merely targeting individuals who are voicing their discontent so much as it is locking up *individuals trained in military warfare* who are voicing feelings of discontent. Under the guise of mental health treatment and with the complicity of government psychiatrists and law enforcement officials, these veterans are increasingly being portrayed as ticking time bombs in need of intervention. In 2012, for instance, the Justice Department launched a pilot program aimed at training SWAT teams to deal with confrontations involving highly trained and often heavily armed combat veterans.

In the four years since the start of Operation Vigilant Eagle,

the government has steadily ramped up its campaign to “silence” dissidents, especially those with military backgrounds. Coupled with the DHS’ dual reports on Rightwing and Leftwing “Extremism,” which broadly define extremists as individuals and groups “that are mainly antigovernment, rejecting federal authority in favor of state or local authority, or rejecting government authority entirely,” these tactics have boded ill for anyone seen as opposing the government.

One particularly troubling mental health label being applied to veterans and others who challenge the status quo is “oppositional defiance disorder” (ODD). As journalist Anthony Martin explains, an ODD diagnosis

“denotes that the person exhibits ‘symptoms’ such as the questioning of authority, the refusal to follow directions, stubbornness, the unwillingness to go along with the crowd, and the practice of disobeying or ignoring orders. Persons may also receive such a label if they are considered free thinkers, nonconformists, or individuals who are suspicious of large, centralized government... At one time the accepted protocol among mental health professionals was to reserve the diagnosis of oppositional defiance disorder for children or adolescents who exhibited uncontrollable defiance toward their parents and teachers.”

Legislative Terrorists Kill First Amendment

“Timothy McVeigh’s recent conviction for the Oklahoma City bombing is the event hailed as closure for the family of

victims who died in that attack. It should, instead, be a reminder of the unconstitutional Omnibus Counterterrorism Act of 1995 that was drafted by the Clinton administration and passed by Congress one year after the bombing.

Clinton's Omnibus Counterterrorism Bill was introduced into Congress in February of 1995. The bill was a death knell to the Bill of Rights and was designed to grant sweeping powers to the executive branch. Included in the bill's provisions was a much broader wiretapping authority for law enforcement with less judicial oversight, access to personal and financial records without a warrant. Most of all included in the bill are sweeping powers granted to the President to designate certain groups as "terrorist" organizations, to seize the assets of said groups and their supporters, and to imprison U.S. citizens and deport aliens supporting such groups, aliens being denied due process under the law.

Veterans a Focus of FBI Extremist Probe

(2009) The Federal Bureau of Investigation earlier this year launched a nationwide operation targeting white supremacists and "militia/sovereign-citizen extremist groups," including a focus on veterans from Iraq and Afghanistan, according to memos sent from bureau headquarters to field offices. The initiative, dubbed Operation Vigilant Eagle, was outlined in February, two months before a memo giving a similar warning was issued on April 7 by the Department of Homeland Security.

Disclosure of the DHS memo this week has sparked controversy among some conservatives and veterans groups. Appearing on television talk shows Thursday, Homeland Security Secretary Janet Napolitano defended the assessment, but apologized to veterans who saw it as an accusation.

"This is an assessment of things just to be wary of, not to infringe on constitutional rights, certainly not to malign our veterans," she said on

NBC's Today Show.

The documents outlining Operation Vigilant Eagle cite a surge in activity by such groups. The memos say the FBI's focus on veterans began as far back as December, during the final weeks of the Bush administration, when the bureau's domestic counterterrorism division formed a special joint working group with the Defense Department.

The FBI said in the memo that its conclusion about a surge in such activities was based on confidential sources, undercover operations, reporting from other law-enforcement agencies and publicly available information. The memo said the main goal of the multipronged operation was to get a better handle on "the scope of this emerging threat." The operation also seeks to identify gaps in intelligence efforts surrounding these groups and their leaders.

The aim of the FBI's effort with the Defense Department, which was rolled into the Vigilant Eagle program, is to "share information regarding Iraqi and Afghanistan war veterans whose involvement in white supremacy and/or militia sovereign citizen extremist groups poses a domestic terrorism threat," according to the Feb. 23 FBI memo." <http://online.wsj.com/news/articles/SB123992665198727459?mg=reno64-wsj&url=http%3A%2F%2Fonline.wsj.com%2Farticle%2FSB123992665198727459.html>

Veterans die after being placed on VA Hospital's secret waiting list

At least 40 U.S. veterans died waiting for appointments at the Phoenix Veterans Affairs Health Care system, many of whom were placed on a secret waiting list. The secret list was part of an elaborate scheme designed by Veterans Affairs managers in Phoenix who were trying to hide that 1,400 to 1,600 sick veterans were forced to wait months to see a doctor, according to a recently retired top VA doctor and several high-level sources. For six months, CNN has been reporting on extended delays in health care appointments suffered by veterans across the country and who died while waiting for appointments and care. But the new revelations about the Phoenix VA are perhaps the most disturbing and striking to come to light thus far.

Internal e-mails obtained by CNN show that top management at the VA hospital in Arizona knew about the practice and even defended it.

Dr. Sam Foote just retired after spending 24 years with the VA system in Phoenix. The veteran doctor told CNN in an exclusive interview that the Phoenix VA works off two lists for patient appointments:

There's an "official" list that's shared with officials in Washington and shows the VA has been providing timely appointments, which Foote calls a sham list. And then there's the real list that's hidden from outsiders, where wait times can last more than a year.

Deliberate scheme, shredded evidence

“The scheme was deliberately put in place to avoid the VA’s own internal rules,” said Foote in Phoenix. “They developed the secret waiting list,” said Foote, a respected local physician.

The VA requires its hospitals to provide care to patients in a timely manner, typically within 14 to 30 days, Foote said.

According to Foote, the elaborate scheme in Phoenix involved shredding evidence to hide the long list of veterans waiting for appointments and care. Officials at the VA, Foote says, instructed their staff to not actually make doctor’s appointments for veterans within the computer system.

Instead, Foote says, when a veteran comes in seeking an appointment, “they enter information into the computer and do a screen capture hard copy printout. They then do not save what was put into the computer so there’s no record that you were ever here,” he said.

According to Foote, the information was gathered on the secret electronic list and then the information that would show when veterans first began waiting for an appointment was actually destroyed.

“That hard copy, if you will, that has the patient demographic information is then taken and placed onto a secret electronic waiting list, and then the data that is on that paper is shredded,” Foote said.”

Did Jesus Succumb to Political Correctness?

Revelation 3:14-17 1599 Geneva Bible (GNV)

14 "And unto the Angel of the Church of the Laodiceans write, These things saith Amen, the faithful and true witness, that beginning of the creatures of God. 15 know thy works, that thou art neither cold nor hot: I would thou werest cold or hot. 16 Therefore because thou art lukewarm, and neither cold

nor hot, it will come to pass, that I shall spew thee out of my mouth. 17 For thou sayest, I am rich, and increased with goods, and have need of nothing, and knowest not how thou art wretched and miserable, and poor, and blind, and naked."
