Are we seeing “Hegelian Conflict” at play to achieve “End state” of Unification of Political and Religious Powers?

The Hegelian Dialectic is the framework for guiding our thoughts and actions into conflicts that lead us to a predetermined solution. When we remain locked into dialectical thinking, we cannot see out of the box. so we must step outside the dialectic to be released from the limitations of controlled and guided thought. Dialogue is the primary tool of the dialectic, and terror and intimidation are also acceptable formats for obtaining the goal. Today the dialectic is active in every political issue that encourages taking sides. We can see it in environmentalists instigating conflicts against private property owners, in democrats against republicans, in greens against libertarians, in communists against socialists, in neo-cons against traditional conservatives, in community activists against individuals, in pro-choice versus pro-life, in Christians against Muslims, in isolationists versus interventionists, in peace activists against war hawks. No matter what the issue, the invisible dialectic aims to control both the conflict and the resolution of differences, and leads everyone involved into a new cycle of conflicts.

Erdogan Waves Finger at Obama During Heated White House Talk

Erdogan’s plot almost worked! In the aftermath of the sarin attack, Pres. Obama began planning a massive US strike on dozens of Syrian targets, even though British intelligence had informed the US joint chiefs of staff that samples of the sarin gas obtained from the site of the attack did not match the chemical weapons in Syria’s possession. A former US intelligence official told Hersh that “Erdogan was known to be supporting the al-Nusra Front, a jihadist faction among the rebel opposition, as well as other Islamist rebel groups.” Hirsh revealed that the US Defense Intelligence Agency had issued “a highly classified” document on June 20, 2013, confirming that “Turkey and Saudi-based chemical facilitators were attempting to obtain sarin precursors in bulk, tens of kilograms, likely for the anticipated large scale production effort in Syria.” After a special UN mission went to Syria to investigate two earlier chemical attacks in Spring 2013, a person with close knowledge of UN’s activity told Hersh that “there was evidence linking the Syrian opposition to the first gas attack, on March 19 in Khan al-Assal, a village near Aleppo... It was clear that the rebels used the gas.”

A [UNHCR](#) official confirmed Monday to WND via email that a **10-nation meeting** in Nicaragua of ministers of the interior from the U.S., Mexico and various Central American countries was held Thursday and Friday.

The ministers, according to preliminary reports obtained by WND, concluded the Central American illegal aliens are “refugees” deserving international protection under the auspices of the U.N. as they seek asylum in the U.S. The ministers cited the U.N.’s 30-year-old declaration on the rights of refugees.

Attending the meeting were UNHRC representatives, as well as representatives of [SICA](#), the El Salvador-headquartered non-government organization known in English as Central American Integration System. Heresy Rising: Christian Pastors Embracing New Age Syncretism

The New Age movement is synergistic, blending various religions, relying on various gods, and crediting the “universe” with power it doesn’t have. Chrislam, as its name suggests, is also synergistic, blending elements of Christianity and Islam. Muslims use Chrislam theology as a way into Christian pulpits, essentially opening the door to false worship.

Don’t be fooled. Just because something has Christian elements doesn’t make it Christian. In his letter to the church at Philippi, Paul points to “enemies of the cross” (Phil. 3:18). Islam is not a friend of the cross. Buddha was not a friend of the cross. Leaders of false religions are not friends of the cross. And we cannot reconcile the enemies of the cross to the Christ who hung upon a tree to pay the price for their sin if we compromise the gospel and essentially worship their god. <http://www.charismanews.com/opinion/watchman-on-the-wall/44538-heresy-rising-christian-pastors-embracing-new-age-syncretism>

How does God feel about syncretism? “For you shall worship no

other god, for the Lord, whose name is Jealous, is a jealous God" (Ex. 34:14). God Jesus said, "If you love Me keep My commandments (John 14:15). Jesus said, "You shall love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind, and your neighbor as yourself" (Luke 10:27). Jesus said, "He who is not with Me is against Me, and he who does not gather with Me scatters abroad" (Matt. 12:30).

Ishmael? Saudi Royal Family Britain's deal was struck with are direct descendants of Ishmael.

If Al Saud's initial success could be owed to the spirit of violence, killing Muslims and plundering their assets, its subsequent achievement would undoubtedly be thanks to the British government's economic, political and military aid. This is so that any analysis of the issue would be futile without considering the UK's role. Although Al Saud used the slogan of monotheism to justify its performance until the fall of the second Saudi and Wahhabi period, in the beginning of the third era Wahhabism itself turned into means of advancing Britain's goals in the Islamic world." <http://hwaairfan.wordpress.com/2013/11/02/wahhabism-as-a-tool-of-colonialism/>

Saudi Wahhabi Leaders See Turkish Threat over Caliphate

Wahhabi clerics are easily provoked upon hearing that other Muslims may entertain the idea of restoring the Muslim caliphate. They strongly believe that Muslims other than themselves are godless and unqualified to claim the honor of reviving the caliphate, a multi-ethnic transnational empire with Sharia and the bonds of faith as the basis of government. <http://www.newageislam.com/islam-and-politics/madawi-al-rasheed/saudi-wahhabi-leaders-see-turkish-threat-over-caliphate/d/76797>

Wahhabism...from “Surrendering Islam”

“These Masonic leaders seemed, then, to have embarked on a plan to subvert Islam from within, and to distort the Islamic world and render it predisposed to a confrontation with the West. Key to this strategy was the creation of the Salafi movement, which was an outgrowth of the emergence of the Egyptian Freemasonry of Cagliostro, which today is closely aligned to the Wahhabis of Saudi Arabia.

According to their devious strategy of “divide and conquer”, the British deliberately created the Wahhabi movement in order

to upset the Ottoman Empire. At the height of its power, between the sixteenth and seventh century, the Ottoman Empire spanned three continents, controlling much of Southeastern Europe, the Middle East and North Africa. It stretched from the Strait of Gibraltar in the west to the Caspian Sea and Persian Gulf in the east, and from the edge of Austria, Hungary and parts of Ukraine in the north to Sudan, Eritrea, Somalia and Yemen in the south.

However, at the same time, the British were beginning to encroach upon former Muslim territories, in particular, making significant inroads into India. Nevertheless, they continued to have designs on the various parts of the Ottoman Empire, and worked to aid in its collapse by fomenting rebellion from within. The brunt of their strategy was focused on the creation of the Wahhabi sect of Saudi Arabia." <http://surrenderingislam.com/surrendering-islam/wahhabism>
