

The Luciferian "Long Range Plan" of Communism: Use Faith-Based Community Organizers in Church to Infiltrate & Control

One has to wonder why any [church organization](#) would [associate with known atheists and promoters who work to achieve exactly the opposite of what the Bible teaches](#). But if you take the time to research these organizations and [individuals](#) responsible for making [long term strategic moves reminiscent of a master chess player](#), the fog begins to clear. How many of us are aware that [Communism is the weapon](#) that the "Secret Powers" [have been using to cause division and chaos in the world, INCLUDING The Church!](#) Do you realize the religious beliefs of the founders of the [United Nations](#) is the worship of Lucifer, aka the Mystery School religion? Think they are helping the [illegal immigrants invade America](#) out of the goodness of their hearts? NO, there is subterfuge involved at the top of these organizations [who are willing to take excerpts from the bible and use them out of context in order to convince Christians that they should allow the illegals to come in against the rule of law](#). All of the [nonsensical political and religious agendas](#) of those proclaiming to be "Christian" organizations will become quite "transparent." This has been a long time coming and nothing is new under the sun. The "end game" is still in play so we need to get our rose-colored glasses off and share the information that we learn with others who may not realize that they are just being used like [pawns in a chess match](#).

The creation of Communism by the

Illuminati

"In 1829, the Illuminati held a meeting in New York which was addressed by a British Illuminist named Wright. Those in attendance were informed that the Illuminati intended to unite the Nihilist and Atheist groups with all other subversive organizations into an international organization to be known as Communism. [pawnsinthegame](#). This destructive force was to be used to enable the Illuminati to foment future wars and revolutions. [Clinton Roosevelt \(a direct ancestor of F.D.R.\)](#) Horace Greeley, and Chas. Dana were appointed a committee to raise funds for this new venture. The fund they raised financed Karl Marx and Engels when they wrote "Das Capital" and "The Communist Manifesto" in Soho, England.

In 1830, Weishaupt died. He carried the deception that the Illuminati was dead to his own death-bed where, to convince his spiritual advisers, he pretended to repent and rejoin the Church.

According to Weishaupt's revised version of the [Age-Old conspiracy](#) the Illuminati were to organize, finance, direct and control ALL international organizations and groups by working their agentur into executive positions at the top. Thus it was that while Karl Marx was writing the Communist Manifesto under direction of one group of Illuminists, Professor Karl Ritter of Frankfurt University was writing the antithesis under direction of another group, **so that those who direct the [conspiracy](#) at the top could use the differences in these two ideologies to start dividing larger and larger numbers of the human race into opposing camps so they could be armed and then made to fight and destroy each other, together with their political and religious institutions."**

“COMMUNISM IN THE CHURCHES” sermon

By Bishop Gerald Kennedy [c. 1960]

“For the Lord spoke thus to me with his strong hand upon me, and warned me not to walk in the way of people saying, “ Do not call conspiracy all that this people call conspiracy, and do not fear what they fear, nor be in dread”.”

Isaiah 8:11-12

There has been a good deal of talk in these days about [communist](#) infiltration into the churches. I never paid much attention to it because I know the churches and it is obvious that they are the real bulwarks against this evil system. Besides, you will discover this talk has two main sources. First, it comes from religious racketeers who like all racketeers, prey on legitimate enterprises. Second, it comes from men who fear judgment and change and who believe it is 1860 instead of 1960. So I never paid it much mind.

It came to me that a more careful examination should be made and I am sorry to report that there are [unmistakable signs of communist doctrines having captured the minds of some churchmen.](#) It is much more subtle and dangerous than we have recognized and I feel it is my duty to speak a warning. For the people who have been making all the fuss about this issue, have missed the point. A friend of mine once remarked about a speech of mine: “The bishop hit the nail right on the head, but it was the wrong nail.” This is the perfect description of the activities of most of the brethren attacking churches.

The Unholy Alliance -Christianity & The NWO Part I

The Bilderbergs. The Trilateral Commission. The Council of Foreign Relations. The Central Intelligence Agency. Most everyone has heard of these groups and some of the conspiracy theories surrounding them regarding the development of the 'New World Order.' Now imagine for a moment there is something to this (and there appears to be no lack of documented material justifying these theories). That would mean that at almost every elevated level of business and government, world wide, men and women have infiltrated, become the controlling administrators and are working to effectively control every aspect of the life of the "world citizen." One aspect of this that has not been properly searched out is the "religious" connection. Surely, given that much of the world is religious, and in the currently reigning SuperPower nation of the U.S., predominantly "Christian," then it would only make sense that these organizations have infiltrated the Church itself and are also actively leading it to into the New World Order as well. Do the worlds leading Christian evangelicals have ties to these organizations? Yes they do, and it is thoroughly documented.

Evangelical Alliance was formed in the belly of the beast

The One World Religion, ECUMENICAL Movement, owes its creation to the Evangelical Alliance, formed in the Lucifer loving "Light-Bringer" Freemason's Hall in London during August 1846.

"Our name indicates our weakness and our shame before God, for there can be and there is finally only one Church of Christ on earth. Our plurality is a deep anomaly. But our name indicates also that we are aware of that situation, that we do not accept it passively, THAT WE WOULD MOVE FORWARD TOWARDS THE MANIFESTATION OF THE ONE HOLY CHURCH" (*The Genesis and Formation of the World Council of Churches*, p. 66).

This supposed “one holy church,” this longed for world church, is a figment of a heretical imagination. The Bible does not tell us that there should be a world church. Quite the opposite. The Bible repeatedly warns that “Christendom” will become increasingly apostate as the time of Christ’s return draws near, and true Bible churches are commanded to remain separate from this wickedness. God is not fulfilling the Great Commission through a church, singular, but through churchES, plural

How Marxists Infiltrate the Catholic Church

Defending the Catholic Campaign for Human Development...Alinskyian organizing is intrinsic to the CCHD.

After three years of intense scrutiny into [problematic Catholic Campaign for Human Development \(CCHD\)](#) grants, the American Life League and other concerned groups gave the

beleaguered “charity” some space to reorganize. CCHD’s 2013 collection came and went with hardly a peep from its critics and the next year of grants was announced unchallenged.

CCHD allies, however, have used the hiatus to argue against any reform or redirection.

One of those allies is Faith in Public Life. In anticipation of the 2008 elections, Faith in Public Life was created by Soros-connected individuals[i] to be a media machine that could give a religious voice to progressive political positions. To this end, progressive clergy from various “faith traditions” were brought together to deliver coordinated messages concerning the election – most critically, that voting for a president needed to be about more than his abortion record. They were so successful that the organization continued to coordinate other campaigns, such as a push for universal health care regardless of any moral failures built into the new system.”

Obama, Alinsky and the Devil

The Catholic Campaign for Human Development: Reform or

Bust

“While the CCHD has certainly faced extensive [criticism](#), it has also had many defenders. On the USCCB’s website for the CCHD, its mission is described as follows:

The Catholic Campaign for Human Development is the domestic anti-poverty, social justice program of the U.S. Catholic bishops. Its mission is to address the root causes of poverty in America through promotion and support of community-controlled, self-help organizations and through transformative education.

While this sounds ideal in theory, the CCHD’s mission has simply not been adhered to. In its 40-plus year history, the CCHD has funded many [organizations](#) and activities that are at best questionable and at worst downright reprehensible. Indeed, through the [CCHD annual November collection, American Catholics have funded efforts promoting “reproductive justice”, \(i.e., abortion\) and “marriage equality” \(gay “marriage”\), among other causes.](#)

Atheist Soros Funds Catholic Groups

The critical role of the Catholic Church in passing national health care reform legislation is coming under serious media scrutiny. But the story has taken a strange turn. It has now

been revealed that [George Soros, the billionaire hedge fund operator and well-known atheist, has been pouring hundreds of thousands of dollars into “progressive” Catholic groups](#) that are significant players in the national debates over health care and immigration.

On the surface, it would appear that Soros would be opposed to many positions of the Catholic Church. A major financial backer of the ACLU, Soros supports such causes as drug legalization, the rights of “sex workers” and felons, euthanasia, radical feminism, abortion rights, and homosexual rights. He does all of this in the name of promoting an “open society.”

But a review of the records of his Open Society Institute finds that a group calling itself [Catholics in Alliance for the Common Good](#) (CACG) has received \$200,000 from them over the last several years.

Federal and Soros funded CCHD to launder

Refugee Resettlement Watch Report:

Refugee resettlement contractors say don't give their money to the children. They want the money for their businesses! These contractors are paid to bring refugees to Tennessee.

This year Congress increased funding for refugee resettlement contractor business to \$1.489 billion, an increase from last year's \$1.12 billion but still short the additional \$1.6 billion that refugee contractors demanded.

Federal refugee contractors like the TN Office for Refugees (TOR) operating in Tennessee, are complaining that the U.S. Office of Refugee Resettlement (ORR) may use some of the contractors' money to help the children crossing the border. TOR says that if their money is reduced they won't be able to help the refugees they have brought to Tennessee. To date, there has been no suggestion by TOR that they would reduce the number of people they plan to bring to the State.

The federal contractors have been directed by their leadership to lobby Congress for more money, which in part is why Pres. Obama's original request of \$2 billion in emergency spending for the border is now \$3.7 billion. If Congress approves this

request, the illegals will get to stay and TOR will get all its money. Why shouldn't the contractors get to save their cake and eat it too? [Report here:](#)

The CCHD and Saul Alinsky

The Catholic Campaign for Human Development (CCHD) is a Washington, D.C.-based, anti-poverty foundation, founded by the Catholic bishops of the United States in 1969. Replenished annually by a November collection in Catholic parishes, the \$15 million foundation gives grants to a wide-range community organizing groups, including those associated with Industrial Areas Foundation, ACORN and other community organizing

networks, as well as independent organizing efforts. In addition, CCHD funds worker and community owned development projects.

Generally, these efforts are not affiliated with the Catholic Church. CCHD is one of the largest, if not the single largest, funders of Alinsky-tradition community organizing in the United States. Its origins are in the Catholic Committee for Urban Ministry (CCUM), a 1960s group that brought together clergy, women religious and lay leaders working in our nation's cities for racial and economic justice

CCHD and how the Catholic Church was infiltrated by Alinsky followers. This video by Michael Voris of RealCatholicTV titled "The CCHD and Saul Alinsky" explains a lot. It explains how the Church was infiltrated by Alinsky followers and why Chicago is a source of so much heterodoxy. There's even a tie in with Father Frank Pavone's situation. You see Bishop Zurek's mentor, Bishop John McCarthy of Austin, was one of the founders of CCHD. (See the article below that mentions Fr. John McCarthy as an assistant to Msgr. George Higgins – a rather famous labor activist at the time. Sure, it's OK for Catholic priests to be pro-labor activists, but not pro-Life activists.)

Saul Alinsky Goes to Church... [Hillary and Alinsky met at a Methodist Church picnic in Chicago.](#)

The origins of community organizing are generally traced to the pioneering work of Saul Alinsky, who built the first community organizing effort in Chicago’s Back of the Yards neighborhood in the 1930s. Alinsky created the early community-based efforts by organizing existing groups into collective action around particular issues. Investigation is limited to scope of IAF Industrial Area Foundation. Same Marxist style training is Gamaliel Foundation which Obama worked and [trained.](#)

II. Reasons for selecting the Industrial Areas Foundation for this Commentary:

1. The IAF receives the largest percentage of CHD grants of any CHD grantee. During the funding period of 1992-1997, CHD has awarded significant grants to the IAF. The IAF has received approximately 15% of the national CHD annual budget between 1992-1997.¹ This represents approximately \$6,466,500 during this funding period.

2. The CHD is historically related to the IAF. The consistently high proportion of CHD grants to the IAF is in itself a reason to study IAF activities. The IAF's historical relationship to the CHD is another: *"There was no formal link between the Campaign for Human Development and the Industrial Areas Foundation [at the CHD's inception]; but the philosophy behind the newly established CHD had been influenced by key Catholic leaders who in turn had been influenced by Alinsky and the IAF. In fact, funding from the CHD over the years has often gone to broad based community organizations established with the support of the IAF."*² During his visit to Britain in 1990, Rev. Al LoPinto, then director of the Campaign for Human Development, explained that the Campaign had no formal commitment to the IAF and broad based community organizing; however, they found the approach to be effective and the IAF organizers to be very professional."³

III. Founding of the Industrial Areas Foundation:

1. The IAF was founded by organizer Saul Alinsky.⁴ Saul Alinsky wrote two books outlining his organizational principles and strategies: *Reveille for Radicals* (1946) and *Rules for Radicals* (1971).⁵

Denham Introduces H.R. 2377 – The ENLIST Act

Today U.S. Representative Jeff Denham (R-Turlock) introduced H.R. 2377 – the Encourage New Legalized Immigrants to Start Training (ENLIST) Act, which authorizes the enlistment in the Armed Forces of qualified undocumented immigrants. The bill would provide a way for undocumented immigrants to become Legal Permanent Residents (LPRs) to the U.S. through their honorable service and sacrifice by serving in the U.S. military. The ENLIST Act gives an opportunity for qualified undocumented immigrants to serve the nation they seek to become citizens in. <http://denham.house.gov/press-release/-denham-introduces-hr-2377-enlist-act>

The DREAM Act in the NDAA: Wrong for National and Homeland Security

“some in Congress are looking to provide a backdoor to instant citizenship for unlawful immigrants who are brought to the U.S. as minors—also known as “DREAMers,” after the Development, Relief, and Education for Alien Minors (DREAM) Act—in the upcoming National Defense Authorization Act (NDAA). Contrary to the claims of supporters, these bills would not advance U.S. national security and would only harm the U.S. immigration system.

Backdoor Citizenship

Representative Mike Coffman’s (R-CO) Military Enlistment Opportunity Act (H.R. 435) and Representative Jeff Denham’s (R-CA) ENLIST Act (H.R. 2377) would allow DREAMers to acquire legal permanent residence in exchange for military service. Then, because of existing law, once those DREAMERS were given

LPR status, they could apply for citizenship on an expedited basis and would become citizens within months.

GOWDY INVOLVED IN THE SECRET PLOT TO INSERT AMNESTY INTO NDAABILL EARLIER THIS YEAR

“Multiple news sources are reporting that the House GOP Leadership are working behind the scenes to insert an amnesty bill into the Defense Authorization bill, which will likely be marked up by the House Armed Services Committee this spring. The plan would include the ENLIST Act – a bill introduced by Rep. Jeff Denham (R-Calif.) that would grant amnesty to illegal aliens who came to the country prior to 2011, were under the age of 15 when they arrived, and enlist in the military. If the provision is included, the bill would become a vehicle for Senate Majority Leader Harry Reid to add the Schumer-Rubio amnesty bill as an amendment when it reached the Senate floor.

The ENLIST Act has 42 cosponsors, including 24 Republicans. Among the supporters are Rep. Trey Gowdy (R-S.C.) who chairs the House Immigration Subcommittee, Rep. Buck McKeon (R-Calif.) who chairs the House Armed Services Committee, Rep. Zoe

Lofgren (D-Calif.) who serves as the Ranking Member of the House Judiciary Committee, Rep. Luis Gutierrez (D-Ill.), and the No. 3 ranking Republican in the House, Majority Whip Kevin McCarthy (R-Calif.).” <https://www.numbersusa.com/news/-gop-leadership-plot-insert-amnesty-defense-authorization-bill>

GOP Leaders Are Lying About Not Planning To Pass Amnesty

Sophomore Republican Rep. Jeff Denham of California, a close ally of GOP Whip Kevin McCarthy, is leading the push to add the text of his “ENLIST Act” to the NDAA, which could come to the House floor as early as next month.

The “ENLIST Act” would grant the privilege of enlisting in the US military to illegal aliens and then grant them amnesty and legal residency.

Now here’s a dot; among the cosponsors of the “ENLIST Act” are Reps. Mick Mulvaney and Trey Gowdy – the latter of whom is the chairman of the immigration subcommittee on the House Judiciary Committee. <http://www.conservativehq.com/article/-16887-gop-leaders-are-lying-about-not-planning-pass-amnesty>

House Benghazi committee chairman Rep. Trey Gowdy, R-S.C., tapped a veteran of Capitol Hill and the K Street lobbying world as majority staff director of the controversial panel, amid indications that opponents – both of the new staff director and of the committee’s mandate – are ramping up their efforts.

To lead the Republican majority staff, Gowdy selected Philip Kiko, a key aide to Rep. James Sensenbrenner, R-Wis., when the latter served as chairman of the House Judiciary Committee, and more recently a registered lobbyist for the Smith-Free Group, a K Street lobbying firm with a diverse roster of clients. **KIKO, a former general counsel to the House Judiciary Committee had lobbied for ACLU and LCCHR.**

The links steered readers to, among other websites,

freerepublic.com, a conservative chat room, where some writers had previously expressed displeasure with Kiko's lobbying activities, including a reference to him as "a self-described conservative." One writer reminded readers that LCCHR lists among its member organizations ACLU, People for the American Way, the Service Employees International Union, and the Southern Poverty Law Center. <http://www.foxnews.com/-politics/2014/05/16/gowdy-names-capitol-hill-veteran-to-benghazi-probe/>

THIS IS WHO TREY GOWDY APPOINTED TO THE BENGHAZI SELECT COMMITTEE

How did a Muslim Brotherhood/ACLU/SPLC lobbyist get tapped for the Benghazi Special Committee?

The American people are supposed to trust Republicans appointed to investigate Benghazi but as it turns out, the Executive Director appointed to the House Select Committee on Benghazi – Philip Kiko – is a lobbyist for the **Smith-Free Group**, in which his **clients include** the American Civil Liberties Union (ACLU), Southern Poverty Law Center (SPLC), the radical environmentalist group the Sierra Club, Gay, Lesbian and Straight Education Network (GLSEN), Mexican American Legal Defense and Educational Fund (MALDEF), National Council of La Raza "the Race" (NCLR), and the National Organization for Women (NOW), NAACP Legal Defense and Educational Fund (NLDEF) and others.

And it even gets worse, it also turns out that he lobbied for a group with strong connections to Muslim Brotherhood front groups in the U.S. http://teapartyorg.ning.com/forum/topic/-show?id=4301673%3ATopic%3A2806363&xgs=1&xg_source=msg_share_topic
